**Who:** Parents, students, educators and community members interested in serving on the Board and/or joining the organization

AND

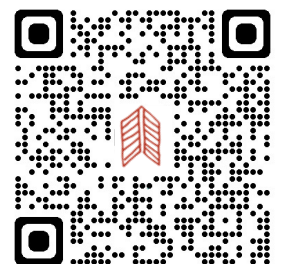

Individuals interested in attending BPA events and assisting with BPA fundraising are encouraged to attend.

**What:** Learn how to get involved with the Black Parents Association of the San Mateo Union High School District!

**When:** Interest Meeting is Monday, April 22 from 6-7 p.m. [via Zoom](#)

**Why:** The BPA is a 501(c)(3) volunteer-led association that supports equitable and inclusive learning environments for our students. The group is dedicated to cooperatively promoting quality education for students of African, African American, or multiracial descent while offering the best level of support and information to both students and parents. Through collaboration, participation and support, they help to enrich our students' high school journey preparing them to reach their fullest potential.

In order to continue to be operational, the group needs a Board of Directors, including a president, treasurer, and secretary. These individuals need to be at least 18 years of age, so the opportunity could be extended to recent high school graduates who have an interest learning more about non-profit management.
