

**SHAC & Safety Committee**  
**AGENDA & MINUTES**

**February 9, 2022 4:15-5:00 pm via zoom**

**I. Welcome and Opening Remarks:**

- A. Call meeting to order
- B. Welcome/Introductions
- C. Minutes from the last meeting emailed & request for approval

Expected outcome: Informational and approval of the previous meeting minutes.

***Meeting was called to order at 4:15pm via zoom. Candy Morris welcomed all, reviewed agenda and made introductions. Minutes from December meeting were approved.***

**II. OLD SHAC/Safety Business**

- A. Continue reviews of current sexual education curriculum or related programs. See new business.

**III. NEW Business**

- A. Campus reports on current sex ed and abstinence programs
- B. Teen dating violence resources

***Campuses submitted current programs, practices and curriculum regarding sexual education and abstinence to C.Morris in advance. Mrs. Morris reviewed each one to SHAC and requested review to ensure alignment with school board policy. Any suggestions will be listed and presented to administration for further review, but we will not be asking for a vote on any new programs or resources at this time. West Intermediate Nurse reviewed letter sent to parents regarding puberty informational meetings with students. CMS and CHS currently use curriculum provided by Communities in Schools which has been an abstinence based program that is aligned to our local school board policy. No one made any suggestions or requests to consider anything new.***

***CHS reviewed initiatives regarding dating violence, suicide and bullying. Lunch and Learns are happening regularly with new related topics.***

Expected outcome: Informational/Recommendations for further review are welcome

#### **IV. Campus Sub Committee Reports & District Health Reports**

- A. District Covid Updates & other health related news
- B. Campus updates on events, activities or positive happenings related to health, wellness and safety. *Please include safety drills as part of your campus reports to SHAC/Safety.*
- D. Campus Questions, Suggestions and or concerns

***Teresa Shaw, District RN, reported covid numbers and updates on the overall improvement and drop in covid numbers. She reported general updates on district health and related news.***

***Campus reps reported fire and other safety drills conducted as well as positive happenings and events related to student health and wellness. Some (but not all) included: 7 Healthy Habits, Counselor character lessons, hand-washing and healthy practices, Jump Rope for Heart, Ron Clark Houses, PBIS Awards, behavior contracts and positive results, Mental Health fliers and resources provided, Care Cats, Emotional Poverty lesson reviews, roll out of Leader in Me, suicide awareness activities and resources provided, etc. (and more)!!!***
