AGENDA/Minutes

TIME	Public ZOOM Meeting	FACILITATOR
4:15	I. Welcome and Opening Remarks: Meeting was called to order at 4:15. Agenda was reviewed, members were introduced and guest were welcomed.	Candy Morris Teresa Shaw RN
4:20	II. Guest presentation and related notes- A guest from Coastal Bend Wellness had requested to speak and present information about their project RUSH curriculum. Jackie Millington presented. Another guest did raise a question and Courtney Rios our district LPC asked a few related questions as well. Mrs. Morris noted that we will review further and discuss with administration as well. We did not take a vote on any new recommendations. The SHAC committee agreed to review further prior to next meeting as well as review what is currently in use. Mrs. Morris did receive some related statements from staff and parents after the presentation and close of meeting. ***SHAC agenda for the next meeting includes further review of the current practices and in regards to sexual education requirements and teen dating violence. We must ensure all practices and recommendations are aligned with current school board policies. The SHAC committee will not be taking a vote on any new recommendations at this time. We will continue with what is already in place. SHAC committee members expressed the importance to give campus stakeholders, campus admin and other stakeholders more time to review all current practices and options regarding needs for the future in order to make the best decisions for the students and to align with school board policies.
