4:50	<b>III. Refuge of Hope</b> <b>Expected outcome:</b> Informational <ul style="list-style-type: none"> <li>• Reps from Refuge of Hope presented information on their program regarding abstinence. Curriculum includes data from the Center for Diseases Control. Data on STDs were reviewed. The message includes that each life matters regardless of where they come from and the choices they make today affect their future. The curriculum includes 2 days of 60 minute sessions. It was recommended that all students in 6<sup>th</sup> grade and up receive this information including the CIS/DAEP at-risk students. There is also another curriculum for 4<sup>th</sup> and 5<sup>th</sup> grade called Starting Point. It focuses on building healthy relationships. The committee supports a request to have the Refuge of Hope speak to CMS students and continue to spread the message at CHS. Reps will discuss with campus admin for approval and scheduling.</li> </ul>	<b>Lacey Herrmann</b>

5:10	<p><b>IV. Food Allergy Management Plan and Food Service Allergy Form</b></p> <p><b>Expected outcome:</b> Informational; Committee Discussion and Approval</p> <p>Current policy was reviewed and T.
