

## 5036 Lockers

Lockers are the property of the school district and students are permitted to use them without charge. The assignment of a locker is on a temporary basis and may be revoked at any time. School officials may inspect student lockers without any particularized suspicion or reasonable cause. The school may search a student and his or her possessions, including backpacks, when school authorities have a reasonable suspicion that the student has engaged in criminal conduct or has violated school rules. The school may also conduct random searches of student's belonging, including backpacks, through drug sniffer dogs or other lawful methods.
