

Peninsula High School

860 Hinckley Road, Burlingame

Please contact your counselor if you're interested in becoming a part of the Puma family!

We welcome students and families that will benefit from an alternative environment. We pride ourselves on personalizing support for each student to experience success in high school. Student resources and services are more accessible to the students with a larger educator to student ratio.

Our school provides an opportunity for students to be able to graduate on-time with their class. Our trimester system gives students an opportunity to earn 90 credits in a full school year with us. Plus, students will have access to earning credits through On-site Recovery (OSCR), work and volunteer experience, dual enrollment with community colleges and more.

Come experience the "Puma Strong" spirit. In our family, no one gets left behind.

Trimester System

The trimester system allows for students to accelerate through credits they need to be able to graduate on time.
