As a result of the district's recent formal procurement for Foundation & Plumbing Repair Services at Wood River Elementary, one proposal was received. Jericho Foundation was deemed responsive to the District's request for proposals. The submittal was graded and scored on the criteria indicated within the table provided.

During the procurement process, one addendum was issued. Addendum #1 provided recommendations for trench and hatch locations. Any and all drawings were made available on the district's website for vendor analysis.

Jericho Foundation Repair has presented a proposal which meets the requested services of the district. The pricing indicated within this proposal is a Guaranteed Maximum Price (GMP) of \$1,634,075.00. Any savings realized during the repair project will be credited back to the district.

Jericho Foundation Repair was instrumental in the repair of Magee Intermediate, and comes highly recommended for their work throughout the Houston and South Texas Market.

Therefore, the review team recommends acceptance of Jericho Foundation Repair for the requested services.
