

Pittsford-Modi'in Partnership Program

What are the host family's responsibilities?

Before your son or daughter completes the application to host a student from Modi'in, Israel, please review this list of responsibilities to ensure that your family is able to meet the expectations of serving as a host family.

As a host family, you are making a commitment to provide your visiting student with:

- * The opportunity to participate in your family's daily life and events
- * The chance to embrace the culture of your home, school, and community through full participation in all family and school activities during the duration of the visit
- * A safe, nurturing home environment
- * A bed (not convertible or inflatable, but sharing a room with child of the same gender is acceptable)
- * Three meals a day with either provisions for lunch or lunch money as well as snacks
- * Assistance with arranging transportation to/from school and extra-curricular events as needed. Drivers MUST be at least 18 years of age or older; no student under the age of 18 is permitted to provide transportation to/from school, extracurricular events, or activities.
- * Parental supervision during non-school hours

Undocumented travel without an advisor(s) permission is not allowed and no overnight visits outside the Rochester area and permitted. Host families are responsible for communication any medical/health issues of the exchange student with PCSD staff immediately. Host families should communicate any hosting issues that arise with PCSD staff.
