Re: Auction of Equipment

DTK

Several years ago the District initiated an effort to systematically update our aged Buildings and Grounds fleet. Part of the plan was to test what the Town of Pittsford and some other schools were doing:

- Replace vehicles/equipment at shorter intervals so that we improve safety, minimize long-term maintenance costs, and maximize resale value thereby minimizing net outlay.
- Utilize the services of a large auction company that specializes in county or statewide auctions of municipal vehicles and equipment.

This practice has proven very favorable for the District taxpayers.

Board Policy 5410 states "The Superintendent or designee may dispose of property in such a manner that brings the most financial benefit to the District."

RTI Auctions (Roy Teitworth Inc.) will inspect the equipment we are requesting be sent to auction on October 10, 2020. All pieces of equipment will be sold to the highest bidder.

The following items will be sent on consignment:

2012 E-350 Box Truck
2 - 2016 F-250 4x4
2016 Transit Van
1997 BOMAG Roller
2008 580 Super M 08-09 Backhoe

I have discussed this process with the District's auditor, attorney and NYS Ed and all agree we may utilize this process. Therefore, in accordance with Policy 5410 and applicable laws, I recommend the following:

BE IT RESOLVED that the Board of Education of the Pittsford Central School District does hereby declare the above equipment scrap or obsolete and does hereby authorize the auction and receipt of proceeds from the sale of the vehicles and equipment listed on the Consignment Contract from RTI Auctions.
