 - The numbers in our area/county have gone down
 - If a teacher gets sick contact tracing how does contact tracing occur
 - We would ask these questions: was the person within 6 feet, for more than 15 minutes without a mask?
 - If someone still has concerns they can call Monroe County hotline 585-753-5555
 - Internal Testing – should as person who has had the first dose of the COVID 19 vaccine be tested
 - The vaccine doesn't alter the test results
