XII. OLD BUSINESS

XIII. NEW BUSINESS

XIV. PUBLIC COMMENT

The Pittsford Board of Education values transparency and the public comments made during its meetings. As such, the Pittsford Board of Education provides this agenda item at its regular meetings. Board of Education meetings are not public forums, rather, they are business meetings held in public where dialogue is not normally conducted with audience members.

The purpose of this agenda item is for the Board to receive respectful and constructive feedback, opinions and information from District residents. Given the amount of public comment and to be fair to our residents, privilege of the floor will only be permitted to those who reside in the district. Comments are taken under advisement by the Board of Education and the Superintendent of Schools. Respect and civility are required during these meetings, particularly as we have students routinely attending as part of their course work.

Comments should be in reference to an interest or topic, not an individual. Each speaker will have the floor for *no more than three minutes and yielding time amongst speakers is not permitted. The Board President reserves the right to limit the total amount of speaking time.* In an effort to avoid repetitiveness, if speakers are attending with other residents with similar input, we ask that the group designate one person to address the Board as a group. For speakers who do not follow meeting and decorum protocols, the speaker’s privilege to use the floor will no longer be recognized by the Board of Education. Those planning to address the Board during the Public Comment agenda item must share the nature of their topic, name and address with the Board Clerk *before* speaking. Notecards are available for this purpose at the sign-in table near the entrance of the meeting room.

- XV. ADJOURNMENT/RECESS **(BOARD ACTION)**

Next regularly scheduled meeting: **Tuesday, June 7, 2022**

*Mission: The Pittsford Central School District community works collaboratively to inspire and prepare our students to be their best, do their best and make a difference in the lives of others.*

- Was developed with the expectation that school **will** substantially operate at pre-pandemic operation
  - The Pandemic and related has significantly impacted students and operations.
  - Focus continues on addressing learning gaps, social emotional supports, behaviors and diversity
- Is balanced, remains within the Property Tax Cap and preserves programs and services.
- Is eased considerably by the significant efforts of the NYS Legislature to address the 17 year long Foundation Aid debacle. However, the proposed budget is also cognizant of and cautious that NYS commitment may not be sustainable into the near future. Therefore, the conservative use of reserves is

91.

crucial to long-term sustainability and preservation of programs while addressing the mission, critical post pandemic needs of students.

- The year to year increase in spending is 3.94%.
- The Property Tax Levy (total property taxes to be collected) increase is 2.53% and within the NYS Property Tax Cap.
