## COLLEGIAL CIRCLE DESCRIPTION

What was the anticipated goal(s) of this Collegial Circle?

To find the best platform software to be used for music in PE classes that had developmentally appropriate music for students

What grade level(s) and or subject area(s) will benefit from this Circle?

PE K-5 and potentially 6-12 in time after piloted.

What level of Guskey's Professional Development Evaluation did you select for this Circle?

Organization Support and Change

## FINAL REFLECTIONS

Was the goal of your Collegial Circle met? Please explain.

Yes, we were able to find Cloud Cover which seems to fit our needs best. However, we are still in the process of getting tech approval.

How did the members of this Collegial Circle assess whether the outcome was met? What evidence was utilized to assess your progress?

We started our own 14 day trial with Cloud Cover and have been practicing with the software program.

How did your work impact teaching and learning? [Include student work samples, lesson plans, peer reviews, etc.]

This work will impact our students by using the software for developmentally appropriate music and motivating them in their participation in class.

Did your work align with the Level of Evaluation you identified in your proposal? Please explain.

Sufficient resources were researched and utilized as needed. Yes - we went through the proper channels with the tech department and received support and approval from our principal to utilize the change of platforms to improve climate in the classroom.

Please include any additional comments you would like to share with the Collegial Circle Committee. This may include unanticipated outcomes, next steps, new learning, etc.

Next Steps - Send Instructional Technology Evaluation Standards Leader + Dave Murrill to Heather Clayton supports and approves the use of our platform and will fund the monthly cost into our PE budget through building money.
