# WELCOME & OVERVIEW

# **Our School Wide Plan**

Lucille Nesom Memorial School receives Title I, Part A Funds. As a Title I School we develop a School Wide Plan which includes school goals, activities, and a budget. The School Wide Plan serves as our “roadmap” for improving student achievement. The plan is based on numerous sources of data and is written by a variety of stakeholder.

# **Welcome, Lucille Nesom Memorial Families!**

Here at Lucille Nesom Memorial our students are just as capable as any students across the US.

Every day, we are committed to ensuring that our students have the opportunity to grow and thrive so they can reach their potential.

To do this, we need a plan in place to ensure every teacher is prepared to provide every student what they need to be successful.

# **Goals**

Our overall school goals include: increasing student achievement for all students as measured by the LEAP assessment and district beginning and end of year assessment in ELA, Math, Science, and Social Studie; decreasing the percentage of students who are chronically absent; decreasing the percentage of students who receive 1 or more out of school suspensions.
