

SUMMER READING SUGGESTED AUTHORS

Below is a list of suggested authors curated by BRMS English teachers and students. Each author writes for a variety of audiences, grade levels, interests, and reading levels. Therefore, we recommend that you investigate authors that look interesting to your child and you. Most authors have their own websites. Also, searching Barnes & Noble's website will give you a brief summary, as well as professional and customer reviews. These authors' books can be found throughout the Monroe County Library System.
