

## Junior ISLE Hours – Kennedy Catholic Sports Camps Agreement

In order for hours served through Kennedy Catholic Sports Camp to count toward the Junior ISLE Hours graduation requirement, the following conditions must be met:

1. Talk directly to Mr. Wells-Schultz about serving at the Kennedy Catholic Sports Camp about the requirements below and confirm which camps you will be working to meet your 30 required minimum hours. He can put you in touch with the coaches for the camps.
2. Talk with the coach(es) running the camps you would like to commit to and confirm that they would like you to work their camp(s). Explain your experience for volunteering and level of commitment as described in this agreement. If a coach is not available, please talk to Kennedy Catholic AD, Mr. Mummert to determine your suitability to work a camp.
3. Submit your ISLE Commitment Contract by the deadline of May 16, 2024 with accurate details for all requested information. Incomplete entries will not be accepted. You will receive official email confirmation once Mr. Latvala and Mr. Wells-Schultz have reviewed these materials. Coaches/Community Period Teachers will be cc'ed on the email.

While these things will happen, it is your responsibility to ensure that they do not encroach upon your commitment to fully working the camps you have committed to. It is an all or nothing commitment you are making. While individual coaches may be ok with you missing some time, it is not ok if you have committed to using this service for your Junior ISLE Hours. If you fear having commitments out of your control will cause an issue, feel free to talk with Mr. Wells-Schultz and the coaches of each camp to see if you can serve as you are available and choose another organization for your Junior ISLE Hours.
9. Sign and submit this contract to Mr. Latvala on or before the contract deadline (5/16/24)

## Junior ISLE Hours – Kennedy Catholic Sports Camps Agreement

I have read and understood the implications of this agreement to use Kennedy Catholic Sports Camp as the one-organization for my Junior ISLE Hours. If I do not meet the outlined requirements in totality, my hours for this service will not meet the graduation requirement and I will need to submit a new ISLE Commitment Contract and complete my minimum of 30 required hours with another organization by the same deadline for all seniors which is the interim report date for Q1 (September of Senior year).
