## **Looking For The Next Bobby Fisher!**

**Do you enjoy playing chess? Do you wish to learn the game of Kings? For beginners, you will learn how to play, learn opening strategies and learn how to checkmate your opponent!**

**Advanced players, you will learn opening moves developed by Chess Masters, learn chess notation and learn advanced tactics. Beginners and advanced players will be prepared to compete in rated and unrated tournament level competition. Research has shown that chess develops logical reasoning, creative thinking, spatial awareness and cognitive skills.**

**This chess camp is open to novice players as well as experienced chess players. Sessions are separated into beginner and advanced sessions. Chess instructor, Paul Harris, has over 30 years of scholastic chess instruction experience (20+ years in Orange County). Parents and youth volunteers are welcome to assist with the chess camp.**
