

May 2, 2024

Dear Lamoille North Families,

Earlier today, we received a response to our request for a student attendance waiver based on the number of weather-related days we incurred this year. Our request has resulted in a change to the last student day as follows:

For **ALL schools except Waterville Elementary School**, the last student day is Monday, June 17, 2024. This will be an early release day.

For **Waterville Elementary School**, the last student day will be Tuesday, June 18, 2024, and it will be an early release day. (Waterville had an additional closure due to a power outage.)

Thank you for your patience as we waited for a decision from the Vermont Agency of Education.

Very truly yours,

Catherine Gallagher, M.Ed.  
Superintendent of Schools  
Lamoille North Supervisory Union
