## Social and Emotional Learning

### *4th Quarter Focus: Growth Mindset*

Social and emotional learning (SEL) helps young people and adults succeed in social, academic, personal, and professional life through development of interpersonal skills. SEL is the process through which people acquire and apply knowledge, skills, and attitudes to develop healthy identities, manage emotions and achieve personal and collective goals. They learn how to feel and show empathy for others, establish and maintain supportive relationships, and make responsible and caring decisions.

Loma students can earn tickets for demonstrating the “**The Loma Way**” by showing respect, responsibility, kindness, and growth mindset.

Each earned ticket is placed in a jar, one jar for primary grades and one for intermediate. Two tickets are drawn from each jar every Friday with the winners receiving a prize. One ticket is drawn from each jar quarterly with the winner receiving a gift basket donated by generous community members.

Thank you to this quarter’s donors!

### *Goodbyes*

It is time to wish Mrs. Swearson, Ms. Ingraham, and Mrs. Clark a farewell and good luck on their well deserved retirement. We wish them all the happiness and joy that retirement brings.

We will miss you!

What a way to celebrate the end to a great school year!

## *From the Principal*

It's hard to believe we are in the last few weeks of school! It has been such a great year of learning for our Lions, we are so proud of them! Teachers still have important learning planned for these next few weeks but don't worry, we'll be having fun and celebrating too. We are looking forward to the Highline Hike field trip and field day. Also, please remember to attend our student-led conferences on May 10th. Students will get the chance to show-off to you some of the great things they've accomplished this year not only in their classroom but also in PE, art, and music. We want to wish you all a fun, safe summer and we look forward to seeing many of you in August!
