Tips for Wearing Your Cap and Gown

The **Cap** should be worn so that the mortarboard is level and not cocked to either side or placed on the back of the head. (**HINT: bring a couple of bobby pins for your cap.**) The crown of the cap should come to approximately 1 inch above the eyebrows. The deeper portion of the crown is the back.

The **Gown** should be removed from packaging prior to the day of the ceremony and may be pressed (read the care instructions that come with your gown) and worn with dress shoes. A simple straight dress without a high neckline gives the best results. Boys should wear a white shirt and tie that will compliment the gown. Coats may be left off for comfort.

The **Tassel** is worn on the right side before the diploma is presented. It is customary to change the tassel from the right to the left side after the diploma is presented. You will be directed as to when to do this near the end of the ceremony.

The **Honor Cord** middle knot is put behind your neck. Bring the honor cords to the front, hanging down your sides with two tassels on each side.

The **Honor Sash** hangs so that the seam is centered on the back of your neck, draping down your front to about your waist.

Graduation FAQs

What do I wear under my Graduation Gown?

Since our Administrators, Staff, Families & Graduates consider the Graduation Ceremony to be a public recognition of hard work and achievement; it is advisable to wear appropriate, professional, comfortable attire *in honor of the occasion*. ***Dress Shoes, Skirts, Dresses or Slacks are encouraged.*** Remember to wear **comfortable** shoes; high heel shoes are NOT recommended for participating graduates. Between many stairs, standing, walking, and spending time with well-wishers, you will be putting quite a bit of pressure on your feet.

There will be stairs and a lot of walking.

Do I get my diploma on the day of graduation?

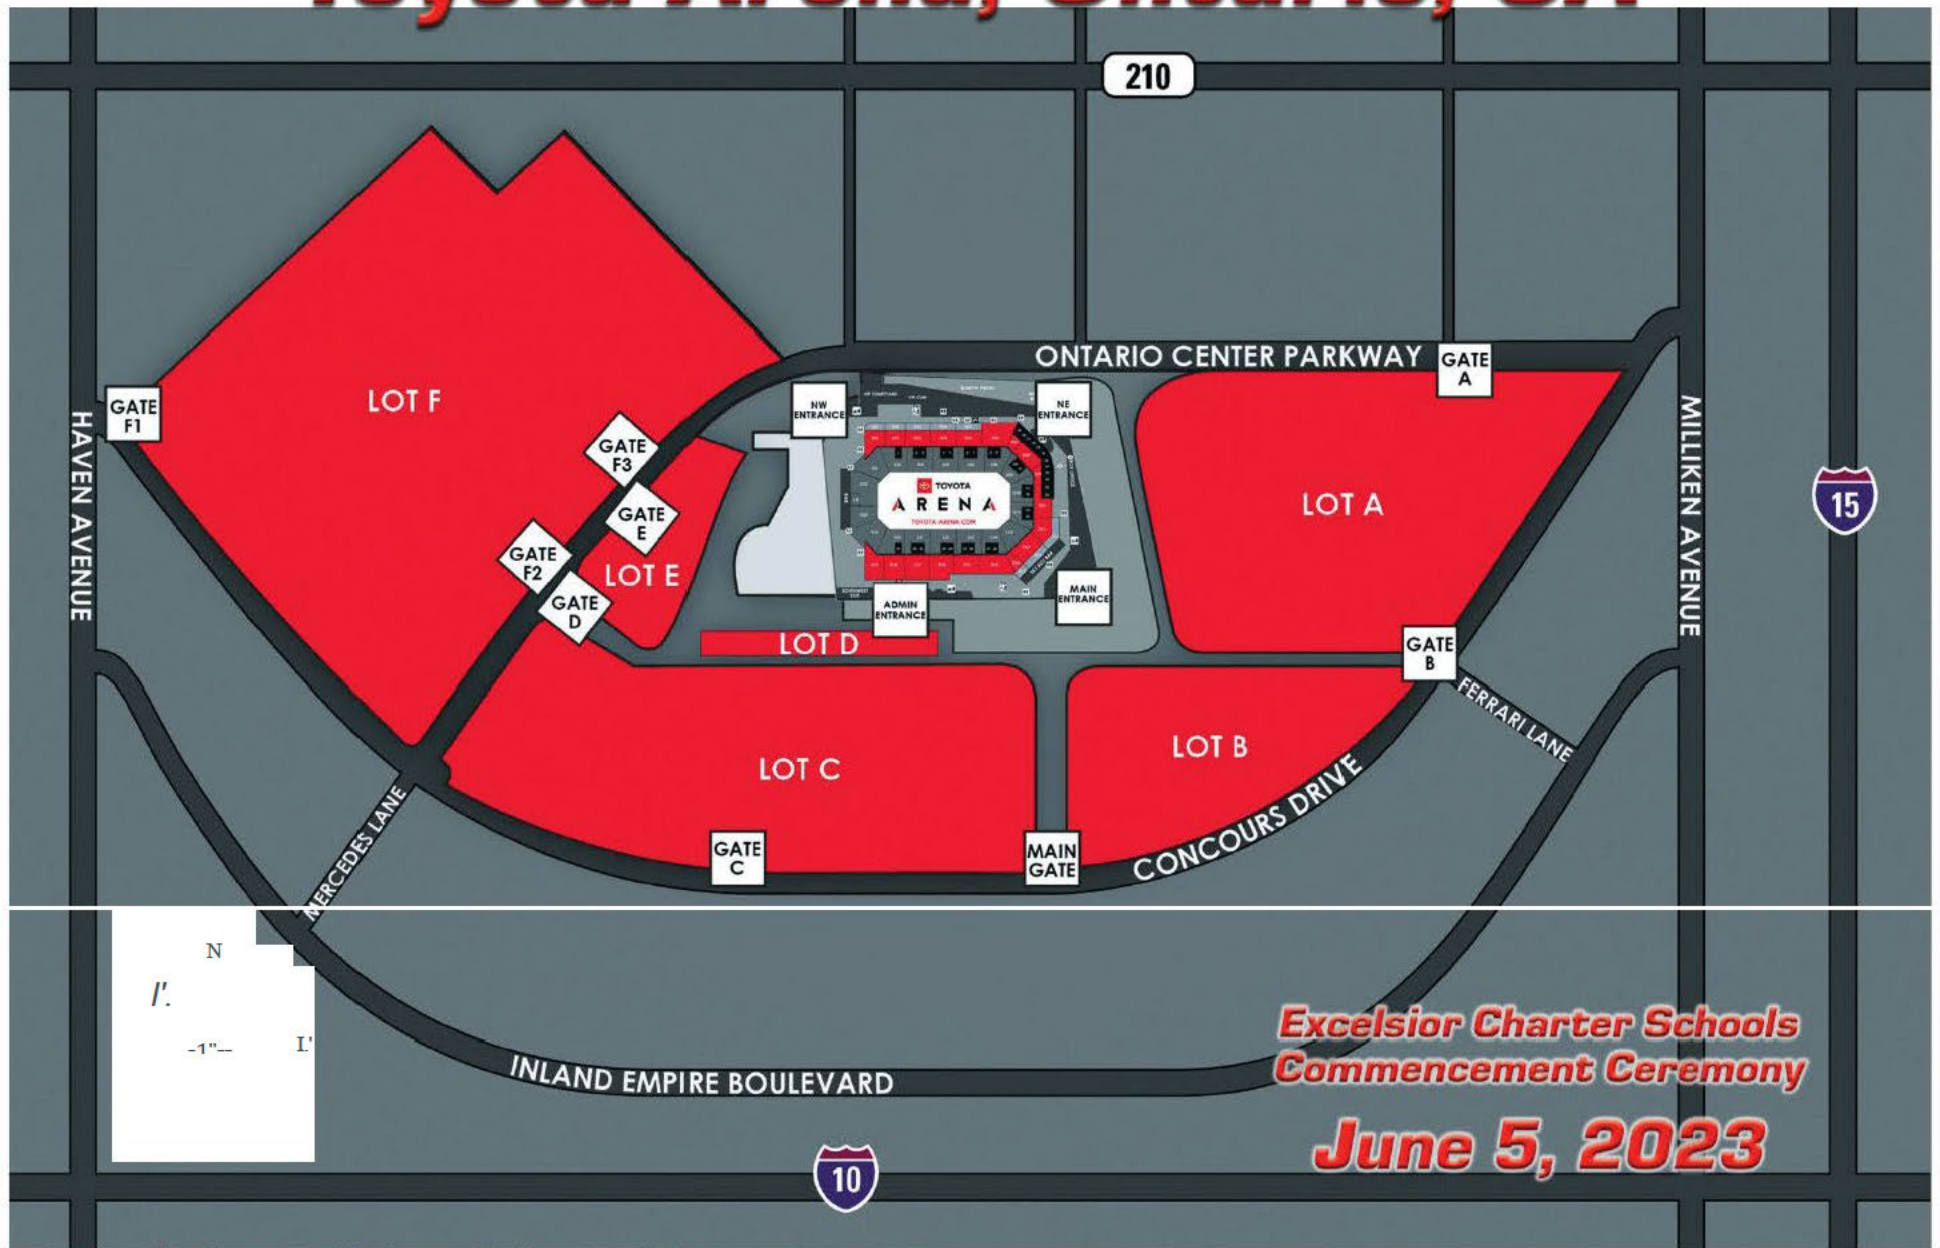

Only the covers of the diplomas are received during the graduation ceremony. The diploma certificates may be received by picking them up at the location, date and time noted in the diploma insert.

If you have any additional questions regarding Graduation Day, please contact your facilitator or our Senior Page on the Student menu on the Excelsior Website.
