

Phantom Lake Elementary needs your help! We are holding a Parenting Evening and would like to have high school students help with child-care! If you enjoy working with children, (two age levels/areas: one with preschool; another with grades K-2), we'd like to invite you to support this event.

Did we say benefits? Yes, you would be giving service, eating free pizza for dinner, and getting some community services hours! It's a win, win!

Date: Thursday, April 25, 2024

Time: 5:00-till about 8:00 PM (dinner, parenting event, kids picked up, bit of light clean-up). That's 3 community service hours!

Where: Please meet in our Phantom Lake Elementary gym. We will have children in the Café and in a preschool class. Phantom Lake Elementary's address is 1050 160th Ave. SE, Bellevue. It is next to Tillicum Middle School.

R.S.V.P. to Phantom Lake Teacher, Mrs. Sanchez, sancheza@bsd405.org

Thank you for your help! We appreciate you!
