

EAGLE NEWS

Anderson Island Elementary

May 3, 2024

Dear Eagle Families,

I hope this message finds you well and ready for a wonderful weekend ahead. It's been a great week here at AIE, filled with hard work, dedication, and lots of learning!

Before we head into the weekend, I want to take a moment to express my heartfelt gratitude to all our amazing AIE volunteers. Your support and dedication to our students are truly invaluable. Last week, we had the opportunity to celebrate our volunteers, and I want to ensure that each and every one of you knows just how much your time and effort mean to us. With 42 registered volunteers contributing over 455 hours of volunteer time, it's clear that our AIE community is filled with incredible individuals who go above and beyond to make a difference. Thank you for all that you do!

I also want to extend a special thank you to our partners in the community - our Fire & Rescue, Anderson Island General Store, American Legion, and the American Legion Auxiliary. Your ongoing support plays a vital role in making Anderson Island Elementary a fantastic place to grow and learn.

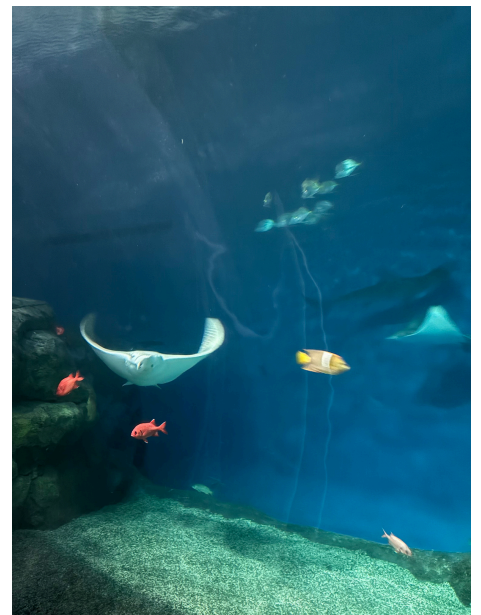

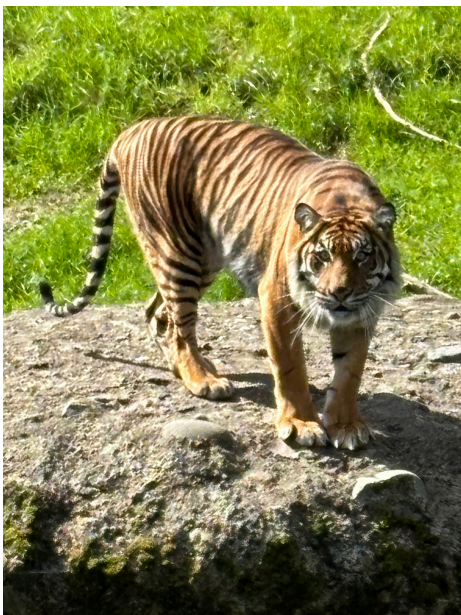

As we look ahead to next week, we have another opportunity to show our appreciation, this time for our outstanding teachers. Teacher Appreciation Week is a time to recognize and celebrate the hard work, dedication, and passion that our teachers bring to the classroom each and every day. Let's take this opportunity to express our gratitude and let them know how much we value everything they do to provide our students with a quality education and endless opportunities for growth.

Eagle Families, as you head into the weekend, remember to take some time for yourselves. Whether it's enjoying the outdoors, getting some rest, or diving into a good book, make sure to recharge and rejuvenate for the week ahead.

Thank you for your continued support and partnership. Have a fantastic weekend, and I look forward to seeing you all back here next week for more adventures in learning!

Warm regards,

Mr. Miller
