

FLC Character Education Program

The FLC's Character Education Program's goal is to provide a safe, joyful, and engaging school climate where academic and social skills are equally emphasized. Our motto is "Believe in FLC" where the F stands for Friendship, L stands for Leadership, and C stands for Community.

FRIENDSHIP

Friendship- is having a good relationship with someone. To have a good friend, you must be a good friend. A good friend is kind, respectful, helpful, loyal and reliable.

LEADERSHIP

Leadership- involves helping a group to define a common purpose and work together to achieve it. A leader sets a good example for others to follow and strives to change the world starting with their own school and community

COMMUNITY

Community- A community is a group of people living or working together in the same area. People in communities go to the same school, shop at the same stores, and do the same things. They also help each other and solve problems together to better the community they live in.

Believe in FLC

Students will be encouraged to be friends, leaders, and involved in their community through daily messages displayed on our FLC Morning show. Our school pledge that focuses on Friendship, Leadership, and Community will be posted in every classroom as well as on hallway displays. Our PTO generously donated FLC "Believe" shirts which will be worn on our monthly school assembly days. Monthly school spirit days will be scheduled where students will partake in a fun dress down day or attend a school wide assembly wearing their "Believe" t-shirts. Every month, students who exemplify "friendship, leadership, and community" will be celebrated as "Super Students". Super Students will get to wear super student capes in school every Friday of that following month.
