**OPEN WORKSHOP
MEETING**

The areas covered in this Workshop Meeting with the Committee Chairs on Capital Project included:

- Reasons for Bond – Why Now?
- What is included in the bond
- What is aidable from the State
- Investment in School and Community
- Reasons Seaford Avenue School not included

Comments, Questions and/or Concerns Raised by the Public included:

PUBLIC COMMENTS

- How does state give aid back?
- Timeline if bond passes – of bonding money. When would it affect budget
- Concerns that what we say will be done in bond will actually be what gets done.
- Prioritizing bond items
- Upkeep of district buildings after improvements are made
- What if costs go over?
- Plans for guidance/special ed offices
- What is and who is Bond Counsel
- Does State Ed require project plan
- Manor parking
- Turf life expectancy
- What happens if bond fails

There being no further business, a motion was made by Ms. Hurley, second by Mr. DelGiudice, to adjourn the Workshop Meeting at 9:50 p.m.

**ADJOURN WORKSHOP
MEETING**

All ayes
Motion carried.

Respectfully submitted,

Linda Hurley,
Vice District Clerk
