June 8, 2023

Dear Seaford Families:

As a result of the continued poor air quality, we have rescheduled or reconfigured several outdoor events tomorrow given the advisement of the Department of Health. Additional information will be issued from the individual schools. Currently, physical education and recess will be held indoors tomorrow, June 9th. For students with respiratory concerns, families should make individual decisions in consultation with their health professionals.

We are hopeful that we will be able to resume outdoor activities on Monday. Thank you for your patience and continued support.

Sincerely,
Adele Pecora Ed.D
Superintendent
