November 23, 2021

Dear Seaford Families, Faculty and Staff,

I hope that you and your families are well. Recently we have seen a bit of an uptick in the number of positive cases. Since the last letter dated November 15, 2021, there have been 41 COVID cases.

Building	Student/Employee
Harbor Elementary	1 Student
Manor Elementary	5 Students
Middle School	5 Students/3 Employees
High School	25 Students/2 Employees

Individuals receiving a positive test result are required to isolate for ten days as per the Department of Health guidelines. These people will not be permitted to return to school until we receive a letter from the Department of Health and/or medical documentation clearing them to return to school. **If a student or an employee tests positive for COVID-19, please send immediate email notification to your building principal and Lorraine Burke: lburke@seaford.k12.ny.us**

Also, please note that it is vital that if a student or an employee is not feeling well or believes to be a close contact to someone who has tested positive, that he/she must remain at home.

Thank you for your commitment to our students. I hope that you and your families have a Happy Thanksgiving.

Very truly yours,
Adele V. Pecora
