September 15, 2021

Dear Seaford Families, Faculty and Staff,

I hope that you and your families are well. Since the last letter dated September 3, 2021, there have been ten COVID cases.

<b>Building</b>	<b>Student/Employee</b>
Harbor Elementary	3 Students / 1 Employee
Manor Elementary	1 Employee
Middle School	1 Student
High School	4 Students

Individuals receiving a positive test result are required to isolate for ten days as per the Department of Health guidelines. These people will not be permitted to return to school until we receive a letter from the Department of Health and/or medical documentation clearing them to return to school. **If a student or an employee tests positive for COVID-19, please send immediate email notification to your building principal and Lorraine Burke: [lburke@seaford.k12.ny.us](mailto:lburke@seaford.k12.ny.us)**

In order to remain open for in-person instruction, we all need to abide by social distancing protocols in the classroom and after school hours. **Please note that it is vital that if a student or an employee is not feeling well or believes to be a close contact to someone who has tested positive, that he/she must remain at home.**

Thank you for your commitment to our students. Together, we will remain Seaford Strong!

Very truly yours,  
*Adele V. Pecora*
