Dear Seaford Families, Faculty and Staff,

I hope this letter finds you well and enjoying the beginning of spring weather. As we continue our combined efforts to keep schools open, there is a concern about the potential rise in COVID positive cases and the ability for individuals to receive COVID tests. To that end, the District has contracted with Around The Clock (ATC) to administer COVID tests on Saturday, April 3rd for any student, student-athletes, faculty or staff member. The chart below summarizes the testing information:

Date	Saturday, April 3, 2021
Testing Group	All employees of Seaford UFSD All students All student-athletes (high-risk)
Location	Seaford High School Cafeteria A
Time	8:00 AM – 10:00 AM

Please use the link below to register for the test. If registering your child, please enter parent/guardian information for the contact information fields.

It is our goal to assist our community with keeping everyone safe. Kindly remember that to continue to provide in-person instruction, our community will need to adhere to safety precautions.

Have a safe and relaxing Spring Recess.

Yours in Seaford Pride,

Adele V. Pecora
