March 16, 2021

Dear Seaford Families, Faculty and Staff,

The surge in COVID cases continues at a disturbing rate. In the last week, there have been an additional 25 students and employees who tested positive. Many of the cases are linked to social gatherings outside of school. Although, there are some in which COVID may have been contracted in the classroom or a school activity.

Below are the number of positive COVID cases since my letter dated March 8, 2021:

Building	Student/Employee
Harbor Elementary	4 Students
Manor Elementary	2 Students, 1 Employee
Middle School	4 Students
Seaford High School	11 Students, 3 Employees

In order to remain open for in-person instruction, we all need to abide by social distancing protocols in the classroom and after school hours. **Please note that it is vital that if a student or an employee is not feeling well or believes to be a close contact to someone who has tested positive, that he/she must remain at home.**

Thank you for your commitment to our students. Together, we will remain Seaford Strong in 2021!

Very truly yours,

Adele V. Pecora
