

Dr. Adele V. Pecora • Superintendent of Schools

1600 Washington Avenue, Seaford, NY 11783 • Phone: (516) 592-4010 • Fax: (516) 592-4049

May 9, 2020

Dear Seaford Families,

We sincerely hope that you are well and safe. It is hard to imagine that we have been in these trying times for nearly two months. Regardless of the circumstances, we remain committed to providing our students with meaningful learning experiences. As we look towards the next few weeks of instruction, teachers will be providing students with more opportunities to participate in live sessions. Next week, final arrangements for this live instruction will be completed and you will receive letters from your building principals providing these additional details.

To facilitate this live learning, students in grades 6 through 11 with district-issued laptops may need to have the camera feature enabled. The details for doing so, as well as the necessary Seaford WiFi locations are given in the link below.

[Procedures for Activating the Laptop Camera](#)

If you are unsuccessful in activating the camera on your laptop please click [here](#) to set-up a virtual appointment with one of our technicians.

Thank you for your continuous support and we wish everyone a Happy Mother's Day.

Yours in Seaford Pride,

Adele V. Pecora
