DR. ADELE V. PECORA  
SUPERINTENDENT OF SCHOOLS

April 13, 2018

Dear Parents/Guardians:

Before the start of the school day, middle school students alerted our building administration after noticing a fellow student with a plastic flare gun on school campus. The administration immediately launched an investigation and took possession of it. At no time was there a threat to any student or staff member. The student responsible for this incident will be disciplined in accordance to the District's Code of Conduct.

The safety and well-being of our students and staff is a top priority and we commend our middle school students for making the right choice and notifying an adult immediately. As we always remind our students, "if you see something, say something."

Yours in Seaford Pride,

*Adele V. Pecora, Ed.D.*
