

Budget Hearing Seaford UFSD

May 27, 2020

Presented by:

Dr. Adele V. Pecora, Superintendent of Schools

Ms. Marie Donnelly, Assistant Superintendent for Business and Operations

Mr. John A. Strifolino, Assistant Superintendent for Curriculum, Instruction and Personnel

How is the Budget Process and Vote Different in the Pandemic?

- Budget Presentations are communicated virtually – BOE, PTA/PTSA/SEPTA, Faculty, and community groups
- Budget vote is all absentee ballot and is much later
- State Aid is unknown which can result in a loss of millions of dollars
- Now, more than ever, we are reliant on the Seaford Community for the great programs that have been established

Absentee Ballot & Election Process

The Executive Order 202.26 permits all qualified voters to vote by absentee ballot due to the COVID-19 State of Emergency and directs that absentee ballots are to be provided to all qualified voters.

Every eligible voter must be sent an absentee ballot with a postage paid return envelope.

Pursuant to Education Law §2012, a person is considered to be a “qualified voter” if the person is:

1. A citizen of the United States
2. At least 18 years of age
3. A resident of the district for a period of 30 days preceding the election
4. Not otherwise prohibited from voting under the provisions of Section 5-106 of the Election Law (e.g., a person who had been adjudged to be mentally incompetent)

All absentee ballots must be received in the office of the District Clerk by 5:00 p.m. on June 9, 2020 in order to be counted.

Proposed Budget 2020-2021

Proposed Budget:

- \$73,005,631

Budget to budget increase:

- \$2,348,682 or 3.32%

Projected tax levy increase:

- \$1,901,670 or 3.58%

Built a Budget still within the Tax Cap

New York State's Property Tax Cap was enacted in 2011 and places restrictions on how school districts can increase their tax levies.

Our goal in building a budget is to preserve our programs and remain sensitive to the affordability of the community.

We weigh and balance the needs of the District with the financial capacity of the voters to support the budget.

What is the tax levy limit and what does it mean that we are within the tax cap?

- The purpose of the tax cap is to determine the appropriate level of affordability for a given community
- The 2020 – 2021 Budget is at the allowable tax levy limit
- In order to pass, this budget requires a simple majority (50%)
- In the past, Seaford voters have supported budgets at the tax levy limit

■ Program
\$59,048,151

■ Capital
\$7,677,262

Budget Revenues 2020 - 2021

■ State Aid ■ Other ■ Fund Balance ■ Property Taxes

Uncertainty of State Aid Poses Challenges

NORMAL BUDGET

- Typically Seaford UFSD receives about 19% of the revenue from State Aid to support our programs
- Districts received initial state aid projections in January
- Second set of projections in late March/early April, which is generally stable and relied upon for budget development

PANDEMIC BUDGET

- State Aid is decreasing
- Budget cuts can occur three times during the year which is unprecedented
- Seaford could lose millions of dollars in State Aid resulting in significant cuts
- Without State Aid being fully funded, we are even more reliant on the tax levy

What happens if the budget fails?

- Executive Order No. 202.67 does not specify the date for a budget revote should the budget fail
- Without further guidance from the Governor's office, the June 9th vote is the only opportunity to vote on the budget
- If the budget does not pass, the District would need to adopt a contingency budget

Ramifications of operating under a Contingency Budget

A contingency budget would require a reduction of \$1,901,670 impacting the following:

- Academic programs
- Staffing
- Athletic & extracurricular programs
- No late bus service
- Prohibits purchasing of new equipment
 - Furniture
 - Student Laptops
- No community use of facilities (Scouting, PAL, CYO, Community Band, etc.)
- Capital construction projects – classroom ceilings tiles at the Harbor

Stay Seaford Strong

VIRTUAL VIKING
Maybelline C.

I have been successful in this remote learning environment because: I read a lot and check my work over & over again. I keep up with my homework!

What I miss about SHS: my teachers, my friends, and learning in face-to-face classes.

Fun fact: I am starting a food business with my family.
