Dedication

Martha Whitwell

We would like to thank Ms. Whitwell for her dedication to Oxford High School. One can see her spending time to help students in physics or chemistry any time of the day. Ms. Whitwell is an encourager of school spirit during pep rallies and at games. Even though things may be rough, Ms. Whitwell always greets you with a smile. Therefore, the 1992-93 Annual Staff would like to dedicate this year's *Flashback* to Ms. Martha Whitwell. Congratulations, we love you!

Editor's Closing

First of all, we would like to thank the 92-93 Annual Staff for your dedication. Finding time to spend on all aspects of high school is difficult. Some how we've found a way, and we hope you enjoy your yearbook as much as we do. Leaving Oxford High School brings mixed emotions. Although we're optimistic about what the future holds, we leave OHS with a little sadness. For the past four years the majority of our life has revolved around this school, the events that take place, and the friends we'll leave here. Thank you for providing things to write about and moments to capture, and thanks to Mrs. Wells for the advise, support, and friendship that she's willingly provided. It's hard to say goodbye, but sometimes we must look ahead and embrace the future.

Sincerely,
Jenni Kingery
and Tracy Webb
