*Nineteen Hundred Seventy Seven*

1977 FLASHBACK  
Oxford High School  
Oxford, Mississippi  
Volume 7

# Spirit!

Spirit. The handbook defines it as the cheers at football games and the warm smile of acknowledgement in the hall. Spirit can also be found in the enthusiasm of players as they begin a game, the sounds of the band, and the silence of a class deep in thought.

Last year the phrase "Spirit of '76" was heard throughout America as the United States celebrated its Bicentennial. Now as the celebration comes to an end, the spirit should not stop but live on. The continuous spirit of this country has kept it going for two hundred years. It endures and rises to each new event. This same spirit is the lifeblood of OHS. This year the FLASHBACK staff has tried to reflect a little of the spirit we call the "Spirit of 1977."

. . . scoring a touchdown . . . receiving an award  
. . . being elected to office . . . finishing your  
third year in high school . . . knowing the answer to  
a question . . . making an "A" . . . winning class

balancing your worksheet . . . typing one hundred  
words a minute . . . getting class rings . . .  
graduation with distinction - great times at OHS.

The spirit of understanding, devotion, caring, and dedication. Oxford High proudly boasts of several teachers possessing these characteristics. One teacher in particular has shown she truly cares for OHS and its students. She goes out of her way to help students and relates to them on a one-to-one basis.

Therefore, to show our appreciation, we dedicate the 1977 FLASHBACK to Mrs. Judy Jones.

## South Panola

The Chargers kicked off the '76 season against South Panola. Inexperience and unfavorable playing conditions were big factors in SP 26-0 win over Oxford, scoring 26 unanswered points in the first half. The Chargers did hold SP scoreless in the second half, but were again unable to put any points on the scoreboard.

Jim Meyer

The team goes over their game plan before play begins.

RIGHT: Parham Williams (84) looks on as his teammates make a tackle.

BELOW: Jim Meyer (87) gets in on the action while Mike McBryde (76) and an unidentified Charger go down.

## Louisville

Once again Oxford was plagued by mistakes with costly penalties and turnovers which gave Louisville 26 of their 32 points in the first half. Oxford improved over its opening game performance by scoring on a Randy Coleman to Larry Mosley pass in the third quarter.

Randy Coleman

## Fulton

The Oxford Chargers played their third game of the season against Fulton. When it came down to game time it seemed as if the Charger team lost all control of the plays and mistakes popped up everywhere. They did however score two touchdowns, one when Larry Mosley went in on a pass reception and the second when Randy Coleman went in on a quarterback sneak. A two point conversion followed Coleman's touchdown. The final score was Fulton 43-Oxford 14.

Jack Stribling

Martin Street (67) and Tommy Bruce (83) run up to give Larry Mosley (41) assistance on the tackle.

BELOW: Larry Mosley (41) races for the end zone.

Chris Case (10) tries to take the ball away. Geoff Brown (54) watches and Glenn Cofield (63) runs up to give assistance.

AT LEFT: The official signals a touchdown.

## Caldwell

The Oxford Chargers traveled to Columbus Caldwell in search of their first win but came up short in a hard fought contest. The Chargers kept missing their extra points and trailed 14-12 at the half. The Chargers rallied for two Mosley touchdowns in the second half but failed to convert on both extra points and lost a heartbreaker, 27-24.

Larry Mosley

## Starkville

The Chargers fought hard against the Starkville Yellow Jackets and moved the ball well, but turnovers inside the Yellow Jacket twenty stopped the drive every time. The final score was Starkville 31-Oxford 0.

Bubba Young

BELOW: Parham Williams (84) watches as Grenada's (82) steps on Michael Mathis (33).

BELOW: Jim Meyer (87) and Mike McBryde (76) stand by ready to give assistance on the tackle.

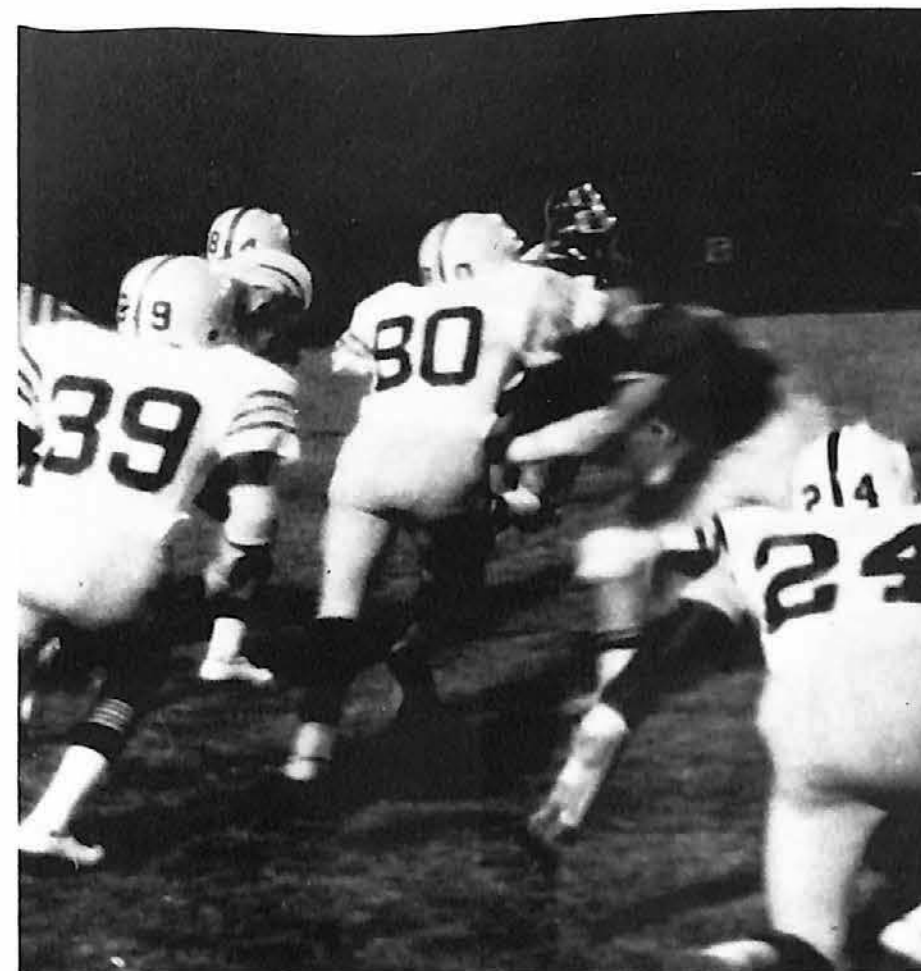

ABOVE: Parham Williams (84) takes the ball carrier down.

## Grenada

It was a cold and rainy night when Grenada defeated Oxford 27-0. The team's spirit was good, but mistakes hurt them. Oxford gave Grenada most of their scoring by fumbling and throwing the ball away. Grenada lead 13-0 at the half and 20-0 in the 3rd period. An interception gave Grenada their last score.

M. C. Jarrett

ABOVE: Starkville advances on the Chargers.

## Lafayette

The Lafayette game was by far the Charger's most exciting game of the year. It was the only game of the year that the Charger's didn't lose. It ended in a high-scoring 35-35 tie.

Parham Williams

## Lee

The captains of the game were Brent Pruet and Jim Meyer. After a scoreless first half, Columbus Lee came into the second half and scored, making their extra point. Later in the half, Oxford also scored, but their try for a two-point conversion was unsuccessful. The Charger defense held Columbus for the rest of the game, to keep the score Columbus Lee 7, Oxford 6.

Brent Pruet

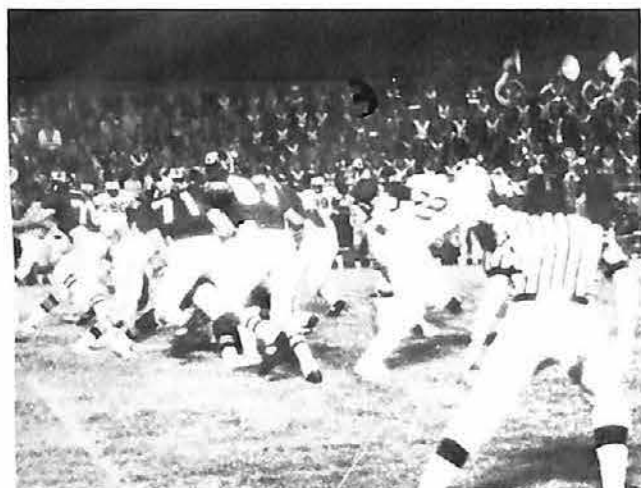

ABOVE: The Chargers pile up on the ball. BELOW: Geoff Brown (54) assists as Larry Mosley (41) is tackled.

## Tupelo

The setting of the Oxford-Tupelo game was a misty and foggy night for football. Not having won any games so far, the Chargers were looking for a win against one of the stronger teams in the Little Ten. Though they played one of their better games, it was not reflected in the score. Plagued with turnovers at crucial times during the game, Oxford was defeated 19-0.

Larry Smith

The Chargers pursue the ball.

Larry Mosley (41) goes down with the ball.

Bubba Young (44) and Michael Mathis (33) trap their opponent.

## West Point

The Chargers were looking forward to the West Point game. After being winless, they wanted to prove that they could beat the number one team in the conference. They were unsuccessful and the game ended in a sad 49 to 20 West Point win.

It has to — and soon. Because in a few decades we're going to run out of natural gas and oil. So we must start to put more of our eggs in a different energy basket now. Coal and nuclear generated electricity is our best hope for an energy-abundant future.

will mean we can stretch our supplies of gas and oil for essential uses — for airplane fuel, for use in industry.

Depending more on coal and nuclear generated electricity and using that electricity efficiently can give us an

energy independent future and keep the wheels of our civilization turning.

For some, the last three years have passed too quickly, yet for others, it has been an eternity. No matter how long it has seemed, each of us has experienced and grown much. We have had three very eventful years.

First we started as sophomores. We were in a new environment. We were the youngest instead of the oldest, as we had been at the junior high. We had many experiences that sophomores had experienced before us: our first homecoming, attempting to type, and being hit on the head by the juniors' class rings. Yet there were many new things that we experienced that were new to OHS. OHS had its first musical, and girls' sports were begun. Our sports teams were put on probation during that spring. Who can forget that memorable awards day when Mr. Wade's fish returned?

Our junior year began and our environment was not so strange. We were the ones who hit the sophomores with our shiny new class rings. We had an exciting football season. OHS tied for second in the Little Ten. We can all remember standing and watching the last exciting minutes of the Lafayette game. One day of our junior year that remains vivid to us is the day they

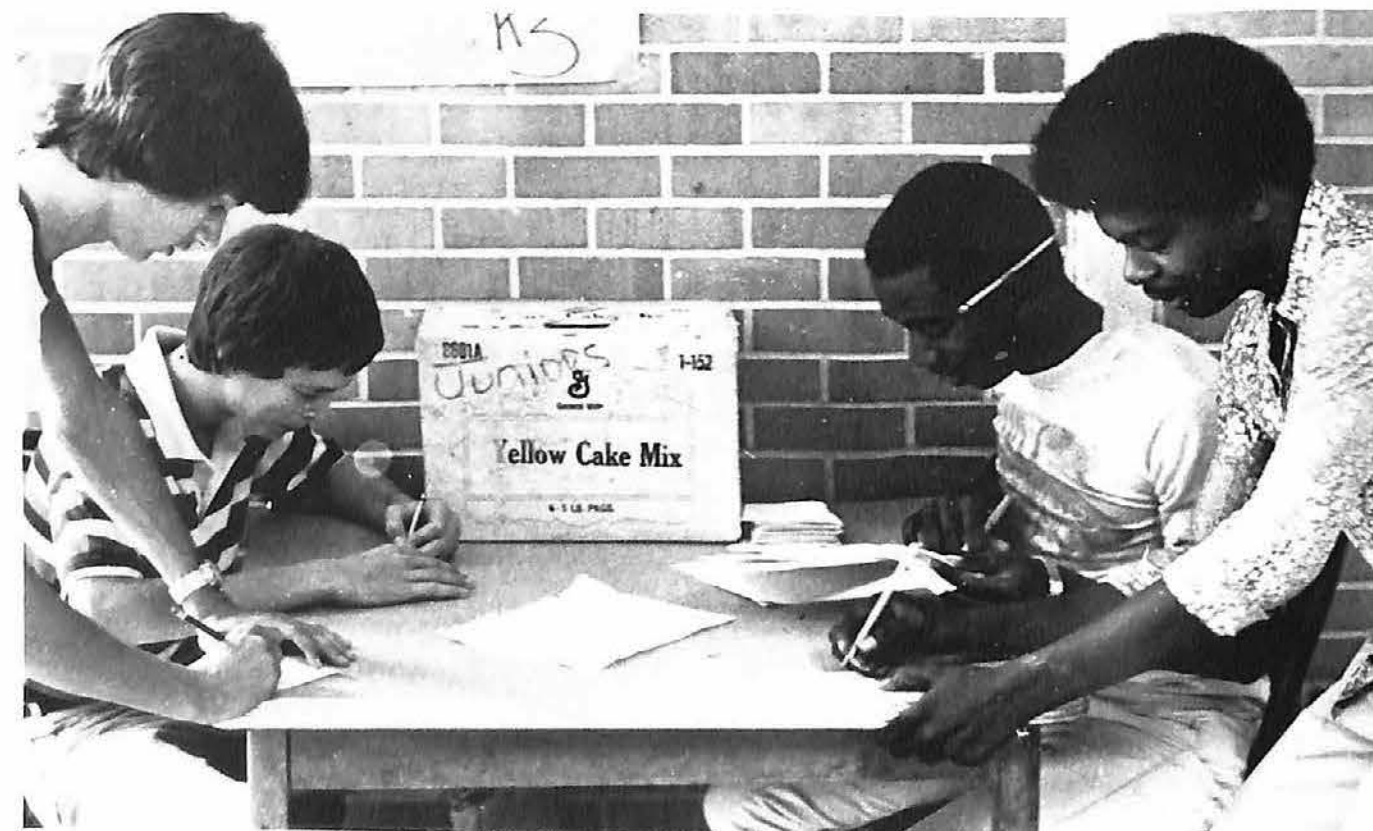

marched us out to the football field while they searched for a bomb. Everyone huddled to keep from freezing. Some even attempted to build fires. We had our second musical, MUSIC MAN, and a couple of new activities during our junior year. We had the first Jr.-Sr. Banquet in some time, and in the spring we had field day. Although we had no snow that year, we did miss school due to the flu epidemic. During our junior year we also reverted to a habit of earlier school years when we began having recess again. We called it "break." The spring brought visions of being seniors. Our tennis team was Little Ten champions and both our tennis team and basketball teams went to state. Many of us made an unforgettable trip to Jackson.

Our senior year began and many of us realized that it was the beginning of the end. We had a disappointing football season but an exciting basketball team. For the first time in several years we had a good snow. We started making preparations for graduation. We ordered our invitations and measured for our caps and gowns, for soon May 20 would be here.

# A Spirit of Reflection. . .

Reflecting - recalling the year at Oxford High . . . the many bells . . . club meetings . . . finding a chair at lunch . . . counting the days till graduation . . . the familiar sound of locker doors being slammed . . . assemblies . . . the endless hours of class . . . elections . . . victories and defeats . . . participating in special school events . . . break . . . listening to morning announcements . . . those happenings that make OHS what it is.

District II, south, runner-up. First girls' trophy in many years.

The 1977 FLASHBACK staff has spent much money and time bringing you this annual. Many people have contributed to the construction of this book. I would like to say "thank you" to a few of these people: to Tim Phillips and Tom Davis, who helped with the photography; to Katherine Gorove, who helped sell ads; to Mr. "B," our advisor, whose hours of work and words of encouragement made the job easier; to Hermine McLarty, our business manager, who not only did a great job managing our limited finances, but who also acted as a co-editor; to the administration and teachers, who have patiently endured interruptions; to the annual staff, who worked overtime many times to make a deadline; and to you, the students, who showed up time after time to have pictures taken and retaken.

As the years pass, the 1977 FLASHBACK will become an important record of your cherished memories of high school. We of the yearbook staff hope that the 1977 FLASHBACK has truly recorded the spirit of OHS.
