In Memoriam

In 1943 Miss Ruby Shaw came to UHS where she taught history. She served UHS for 18 years, resigning in December of 1961 because of ill health. Her resignation was followed by her death on February 10, 1962. At that time Miss Shaw had been at UHS longer than any other faculty member.

Miss Shaw received her B. S. degree from Mississippi State College for Women and her M. A. degree from Tulane University. She also did post-graduate work at Peabody College and Duke University.

Through a personal interest in her students, a keen sense of humor, and a youthful outlook on life Miss Shaw gained the affection and admiration of students and faculty. All who knew Miss Shaw will miss her. She was a tribute and asset to University High School.

We the Annual Staff of 1963 are proud to dedicate the COLONEL CLAN to Mrs. Margaret Dallmann, who has faithfully served University High School.

In this 1963 COLONEL CLAN we have sought to capture here and there glimpses of the activities and events that set this school year apart from the previous ones.

You, as the individual student, will naturally have your own experiences and therefore each page will mean something different to each of you.

If, in the years to come, you will turn through these pages and remember the "happy days" you had at U.H.S. the COLONEL CLAN will have fulfilled its purpose.

We give you your 1963 COLONEL CLAN.

This, the last year at University High School, should have been its best year. We look back on this year with some sadness, but we also look ahead with enthusiasm and anticipation for things to come. Your opportunities are great, your advantages many, but only you can monopolize on these.

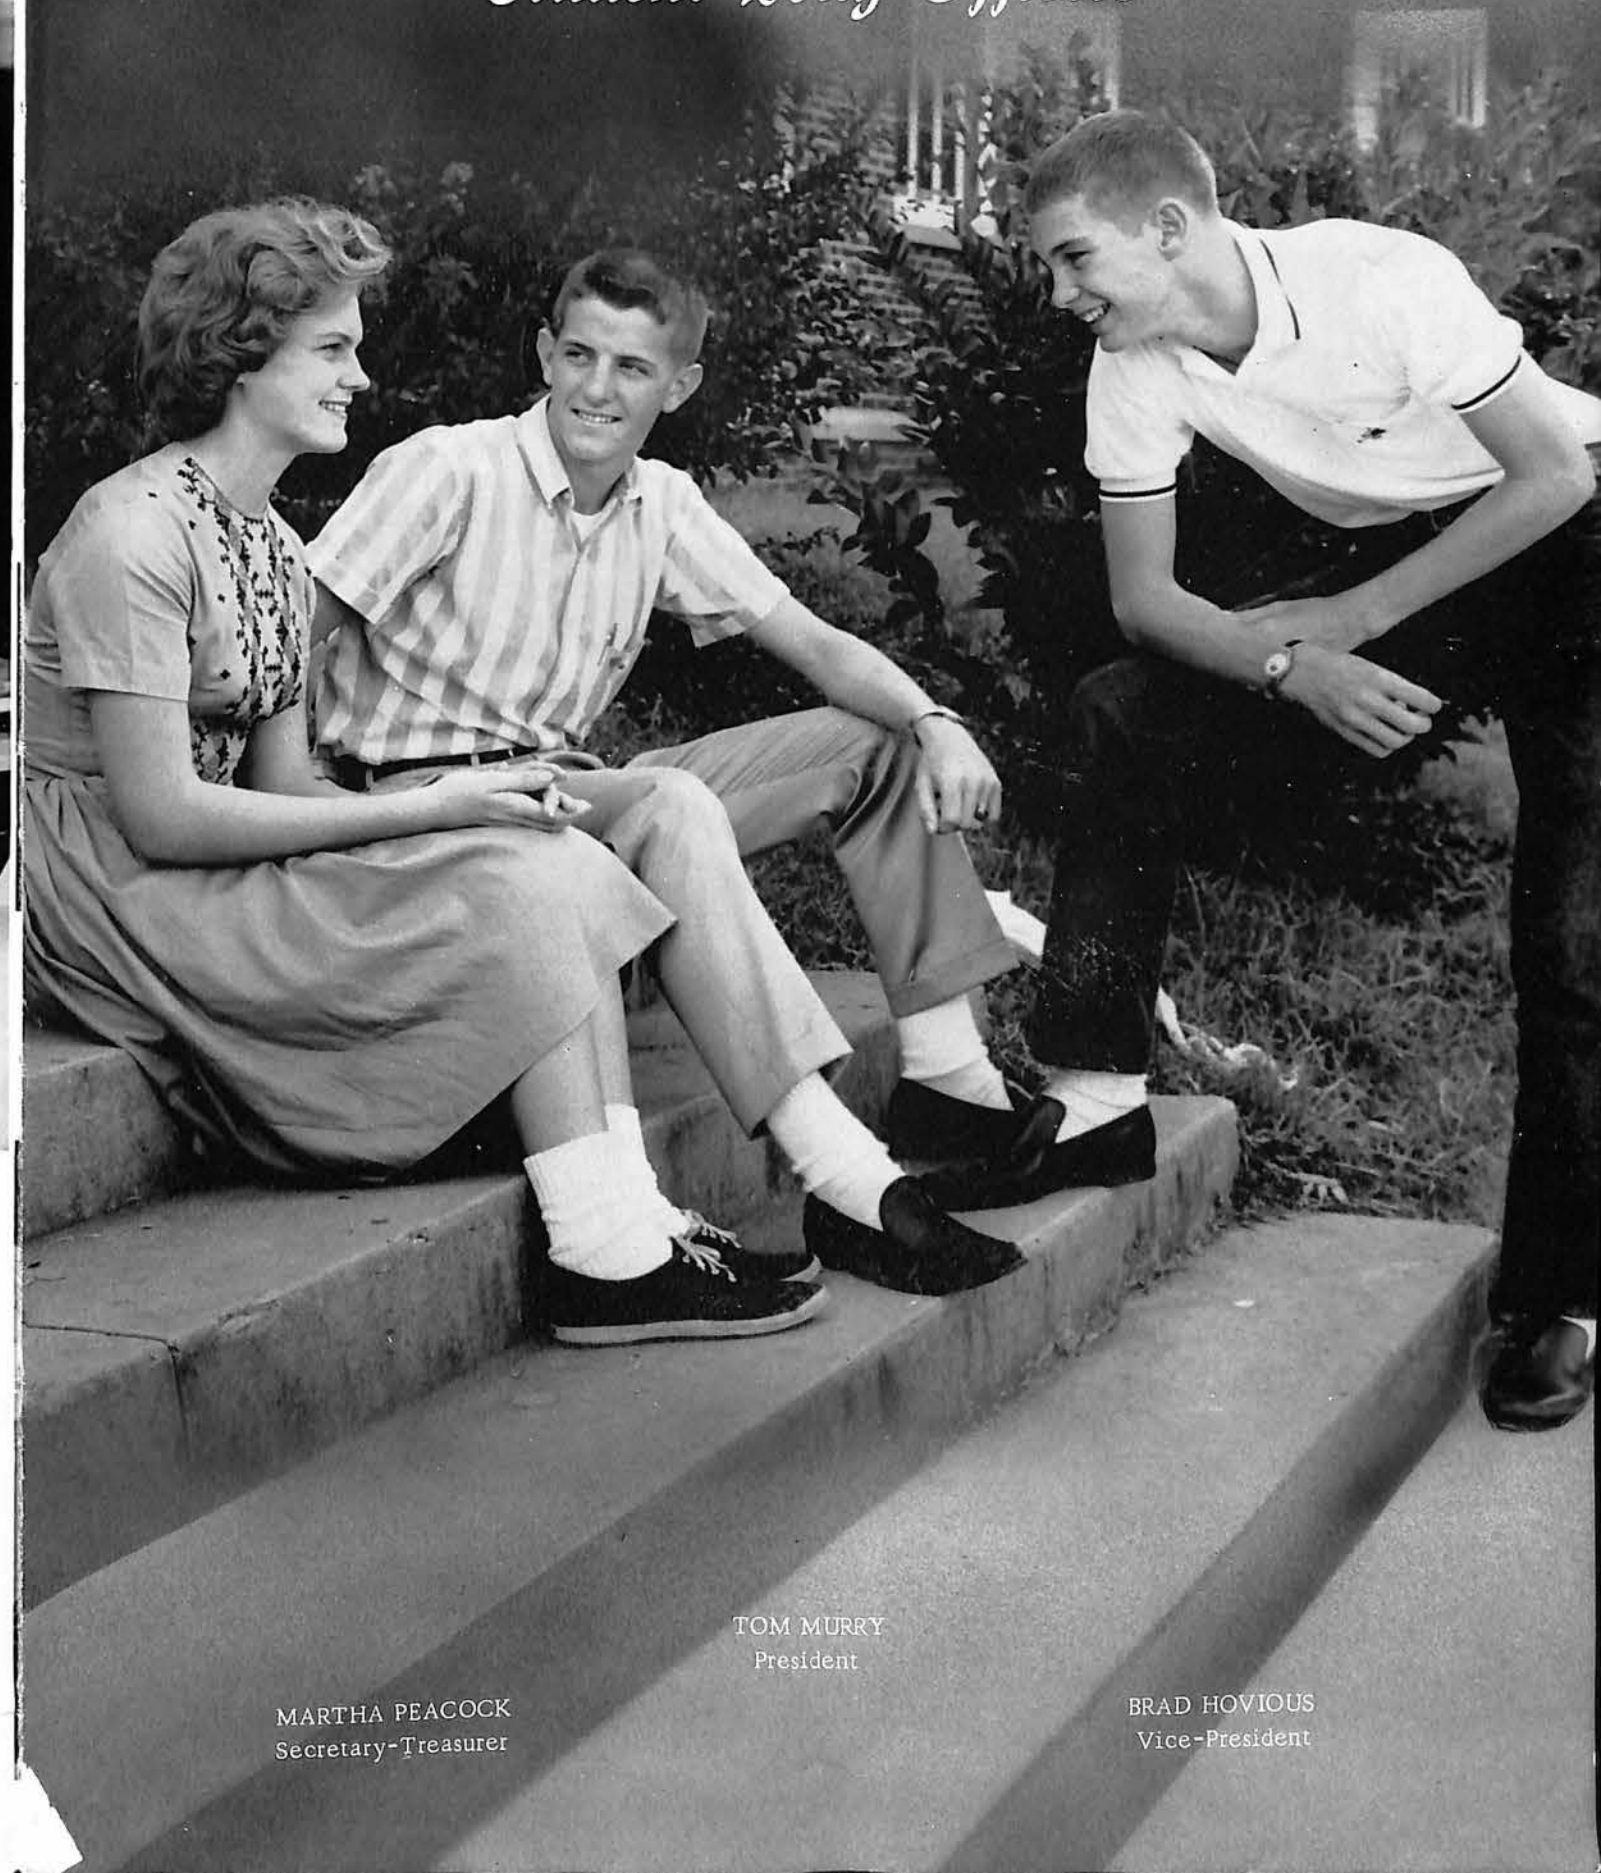

I hope that you will remember this little saying, "Ain't it a fact! Opportunity merely knocks - temptation kicks the door in." I hope that each of you will listen for the knock of opportunity and that you will be able to avoid the kick of temptation.

Sincerely,

W. A. Thompson, Jr.

The expression "Memories is Life" is said to be true here at U. H. S. Past, present, and future students will never forget their days in these halls. Days of pep rallies, football games, dances, and of course six-weeks test. Long will we remember you, University High School -

Our Alma Mater

Here is the Spirit of UHS

It's work . . .

As the senior class members raise money
their junior year

It's sporting . . .

As the boys prepare for the game

It's play . . .

As the Jr. -Sr.
Banquet
Climaxes
the
year

As you meet a warm smile

It's friendly . . .

It's loyal . . .

As the fans cheer the team on

It's traditional

It's crowded . . .

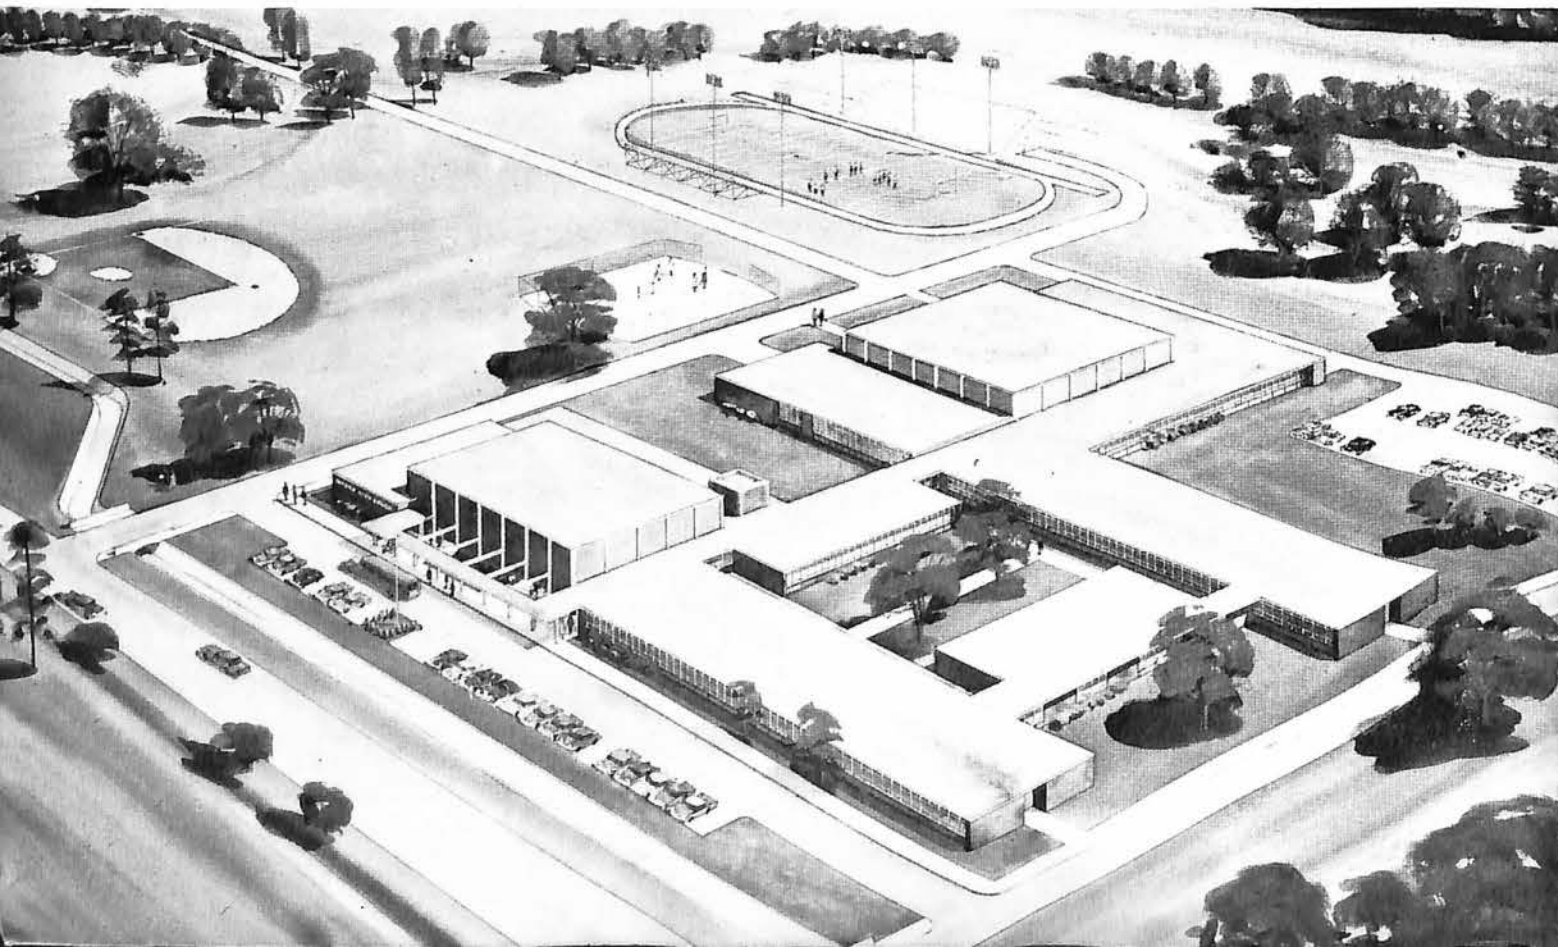

As the students hurry through the halls of UHS

It's lonely . . .

As the day draws to a close

And it's still growing

Dear Sharon,
I often feel that I am
doing something that is totally
unfair in judging these contests
from photographs. As you
know photographs can be very
deceiving. It is very difficult
to put someone in number
one position and of course it's
only my opinion. I'm sure
many of you would probably
reverse the order I have
them in if you were judging.
Nevertheless I have made my
choice and I wish all find
the best of luck always.
Sincerely,
Barbara Hummel
