Believing that there is hope for the future in the four-leaf clover, we, the 1964-65 COLONEL CLAN Staff, set our theme for the 1964-65 annual around the four-leaf clover.

## *Colonel Clan*

## *Alma Mater*

In the land of sweet magnolias  
Where there's roses all the time  
And the sycamores are silver  
And creeps the eglantine  
There stands our Alma Mater  
With its lingering memories dear  
She's never failed us  
When duty hails us  
We'll swing our banners high

And always will be  
Joyous and ever loyal  
Let us boost for our old Hi  
Let every voice ring  
Let every heart sing  
Now's the time to do or die  
It's always upward  
Leaving trails of happiness  
Let the welkins ring with  
Three grand cheers for  
O.H.S.!

In days to come we hope that this book will grow in value. Many years from now, you will leaf through this 1964-65 annual and recall various experiences in high school. Many of them will be brought to life by the sight of an old friend's face. We on the annual staff sincerely hope that the 1965 COLONEL CLAN will help you relive your high school days, and that it will find you closer to your present friends, so they may not be forgotten later on.

We would like to thank all the faculty, students and friends who helped us to make this book possible. Now we present to you, students and faculty of Oxford High School, your 1965 COLONEL CLAN.

*Good  
Luck  
to  
You  
at  
OHS*

*1965*

Spring brings out not only the four-leaf clover, but also the students looking for this symbol of luck. The four-leaf clover is the basis for a good future. A simple little clover can bring about all the memories of the past, present, and future; or perhaps even those most cherished qualities - scholarship, leadership, character, and service. Good luck to you in your future years at OHS!

Words are often so inadequate to express our feeling. A smile, a nod, or a handshake is a very small thing but can carry great meaning.

To each of you, this is my smile. You are a fine group of young people. From you I expect great things. I hope that in Oxford High School you have reached a part of your goal.

May your future be bright,

Sincerely,

*Billy Thompson*

## *Principal's Message*

The Good Sportsmanship Trophy is shown here when it was presented to the Oxford High Colonels. Oxford has the only distinction of having the award twice - for 1960-61 and for 1963-64. We are proud of all the Colonels who did show good sportsmanship, and we would like to take this opportunity to thank all of you who contributed to the winning of the Good Sportsmanship Trophy for the Colonels of Oxford High School.

Tradition is an important word at Oxford High School --- a word which encompasses a multitude of beliefs, customs, standards, and goals which have become a vital part of Oxford Hi life.

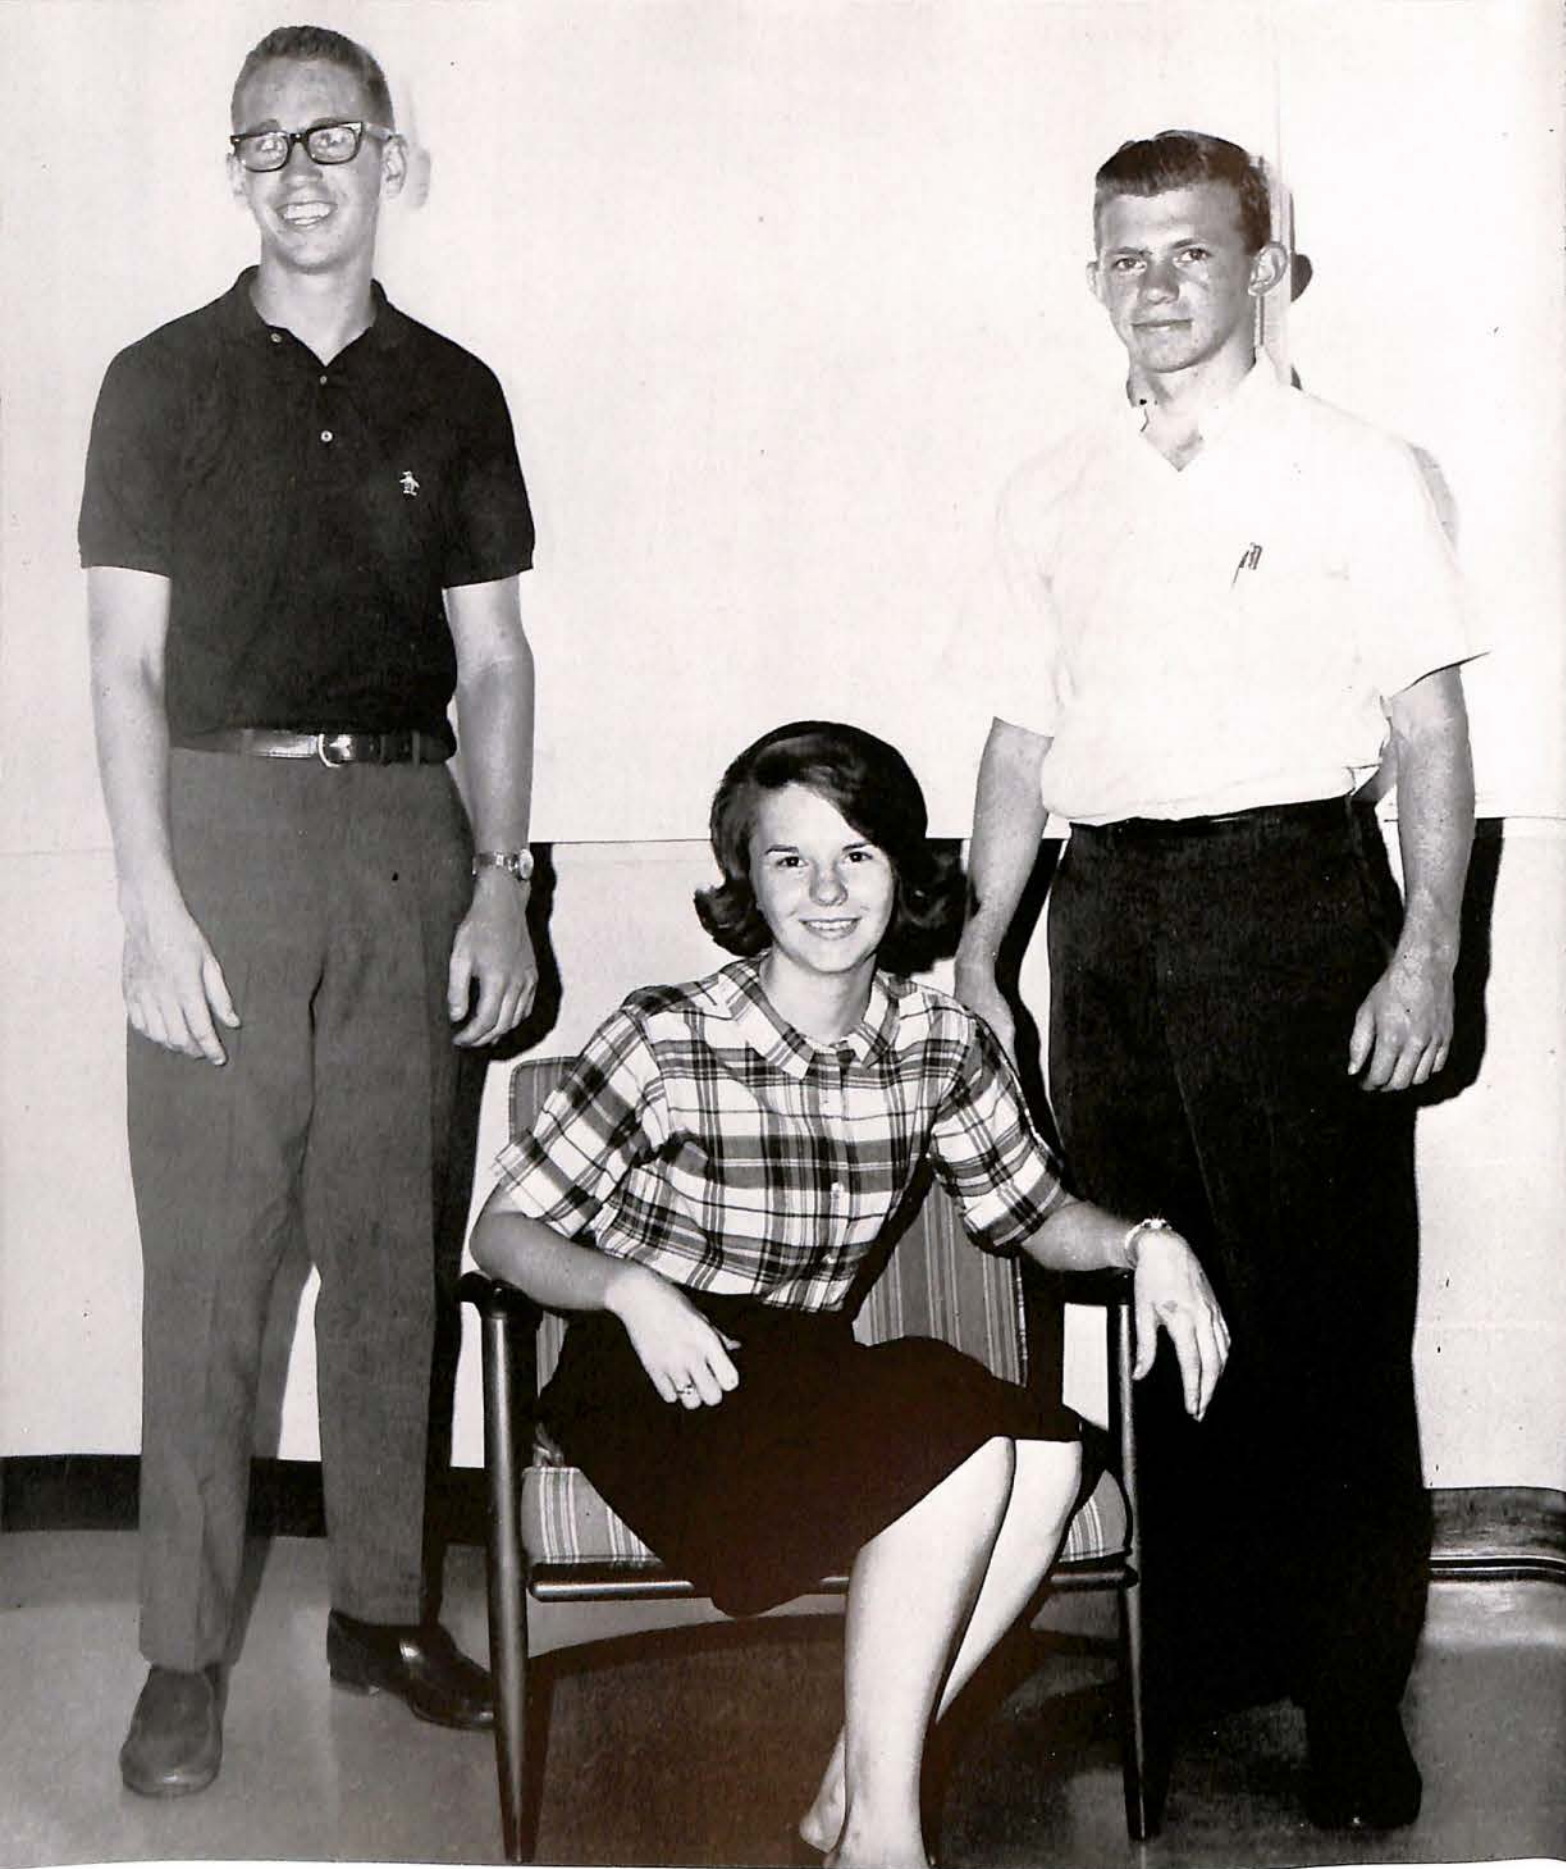

Some traditions were established with the founding of the school and have been inherited by the Colonels of today. Others have developed through the years as Oxford Hi has expanded in its enrollment, size, and accomplishments.

All Colonels are faced with the challenge to continue cherished traditions and at the same time to add to the heritage of Oxford Hi. Each class has its own opportunities to develop traditions, but each year's innovations may prove to be mere passing trivialities.

Traditions which do not contribute to the present and are no longer valid must be constructively evaluated and then discarded and each class must assume the responsibility of establishing new goals, setting new standards, and initiating activities which will be worthy of being called Oxford Hi traditions.

## *Student Body President's Message*

Students:

As you look back on the last school year, I hope all your memories are good ones. This year had to be OHS's best year and you, the students, played the biggest part in making it so.

I appreciate the cooperation I received from the Student Body. Each one of you helped me a great deal. My job was a small one, but it was a most enjoyable one. As you look through these pages, I hope you will remember finding your four-leaf clover.

FACULTY

# Faculty

This year at Oxford High School we have seen many changes. The students have witnessed innovation along with the casting aside of former ideas. The faculty at Oxford High School have been largely responsible for the success of the new policies and for the success of the senior class. It is a working tribute to them who have held a firm, steady hand of direction and guidance for the class and school. The class of Nineteen Sixty-Five wishes to thank the headmaster, administration, and entire faculty for the preparation and self confidence they have given us.

As Juniors, we have had the responsibility of earning money for the all important Junior-Senior Banquet. We were able to reach our goal with the help of our sponsors: Mrs. Hopkins, Mrs. McGregor, and Mr. Powers.

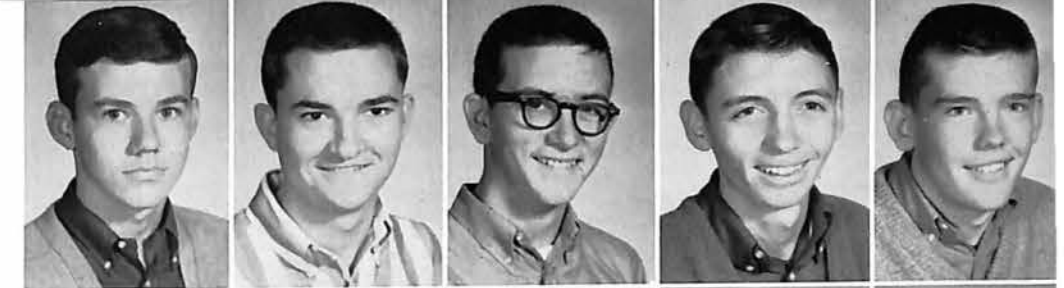

This year will be one we will never forget. Earning the money, receiving our class rings, and the up's and down's of life, all add up to the fond memories we will always cherish.

What happened Judy?  
Did he stand you up?

Season's greetings from Santa's little  
helpers.

The team was in a huddle...

Contestants for "Miss Beautiful Knees".

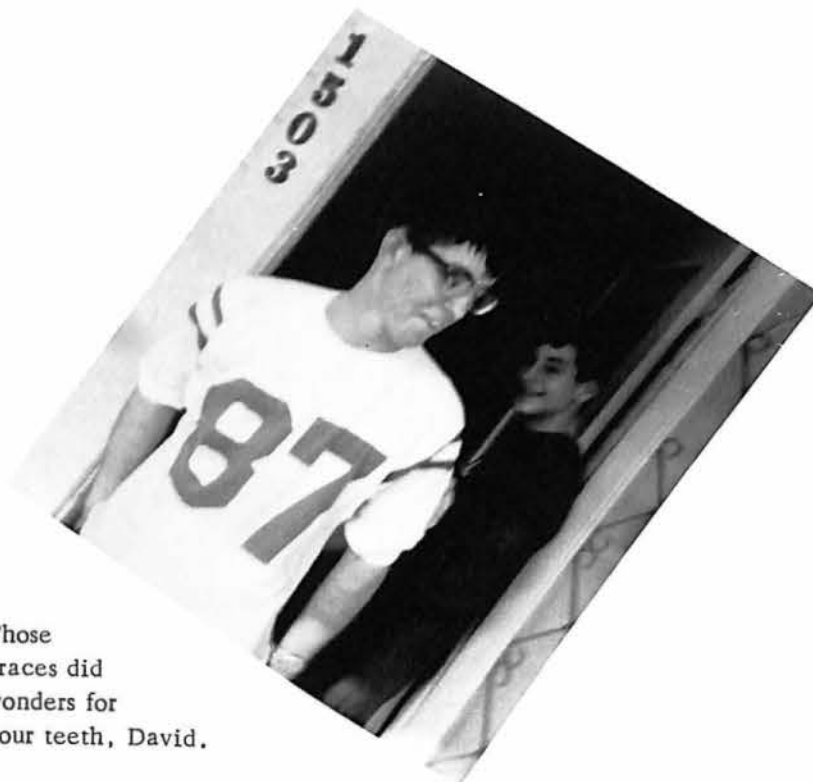

Becky uses Drano on those lovely white teeth.

Washington will never be the same!

"Now children, let's have a big smile for the nice man."

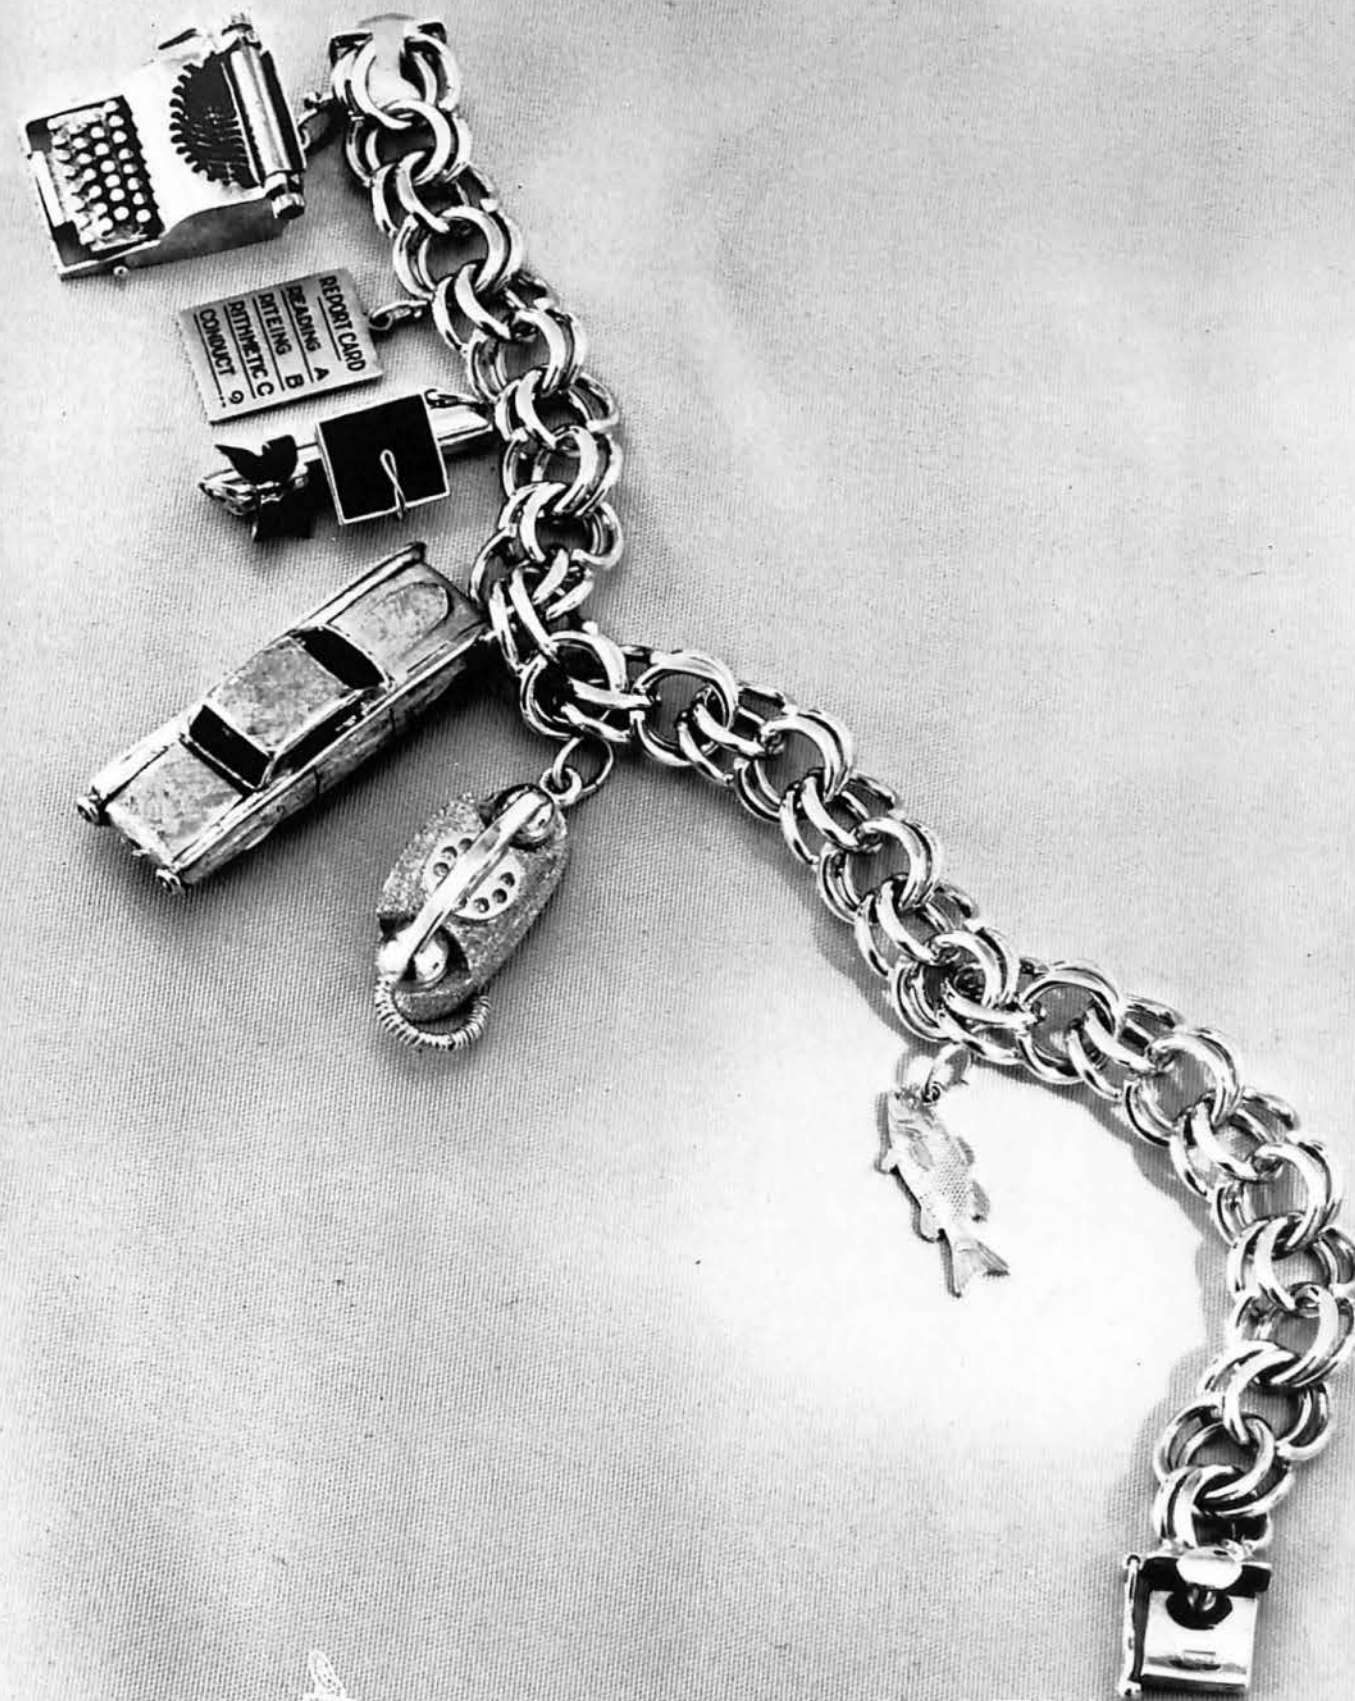

Those braces did wonders for your teeth, David.

"What's Jayne Mansfield got that we haven't got?"

Beverly and Dixie are just the affectionate type.
