

Santa Fe Independent School District

Superintendent Message

Dear SFISD Teachers and Staff:

May 3, 2024

Good morning and Happy Friday everyone. **Jean Month** has arrived! Today is **School Lunch Hero Day**, so please take a moment to thank our hardworking YUM Nutrition staff. Cherie Bowers and her team do an amazing job. May is also **Speech-Language-Hearing Month**, so be sure to thank these awesome staff members when you see them as well.

Our **Varsity Baseball Team** began their playoff run at Crosby last night. They are playing Game 2 at home TONIGHT at 7:00 p.m. We need a big WIN to force a Game 3 on Saturday. We also want to give a shout-out to Jonathan Wright at Santa Fe High School. Jonathan is in Austin today competing in the UIL Track & Field State Meet for pole vaulting. Let's GO Indians!

Thank you again to all our testing coordinators for all your hard work during the STAAR/EOC testing season. We appreciate you. Don't forget – next week is **National Teacher Appreciation Week**, and next Wednesday (5/8) is **National School Nurses Day**. We are truly thankful for ALL our caring and dedicated educators in SFISD.

Saturday is *PROM Night*, so we want to wish our students a safe and memorable time :)

Have a great weekend everyone,

KB

*Santa Fe ISD is an academic leader committed to excellence through continuous improvement by instilling high standards, building strong community partnerships, providing innovative opportunities, and empowering students for lifelong success.*
