6th Grade Awards (By Invitation)
7th Grade Awards (By Invitation)
8th Grade Valleyfair
9:00am – 6:00pm

Develop a passion for learning. If you do, you will never cease to grow. **Anthony J. D'Angelo**

The weeks are zipping by and we only have a few left before the end of the entire school year! I can't believe it.

Budgets have been finalized at the building level and with no surprise, all sites have been impacted by reductions due to the large financial gap that we needed to close as a district. While Murray has certainly been impacted, there are many student support and enrichment/elective opportunities for students that we are able to maintain and prioritize. **Murray Middle School will be holding a community budget update session on Wednesday, May 8 at 5:30PM in our Murray library. This is a hard start time and the meeting will likely last approximately 1 hour.** This will be a live and in person event with some small snacks and me sharing the current status of our school budget for the school year 24/25. For those of you that cannot make this event, I will be sharing the information digitally after the meeting with the entire community along with multiple language translations. As always, after the information has been shared, I invite you to reach out with any questions you may have. We are looking forward to finishing a great year this year and launching another great year next year as many of our closely held priorities were able to remain in place. We hope to see you at this event!

Celebrations:

#Pilotprops of the week! Ms. Stedje would like to celebrate Iris Rudolf. Iris is a true Pilot. Iris consistently shows up with a positive attitude, strong integrity and as a powerful leader. We are proud to have Iris in our community!

#Pilotprops of the week! Ms. Pfeiffer would like to celebrate Bella Villegas. Bella has had a strong start to the new quarter and has grown a lot in MN studies. Bella has done a great job identifying historical evidence and collaborating with classmates. Go Pilots!

#Pilotprops of the week! Mr. Lee would like to celebrate Connor Vue. Connor is an outstanding student and an amazing teaching assistant. His dedication and willingness to help others truly stand out. Keep up the great work, Connor! We are proud of you!

Your Co-Pilot,

Jamin McKenzie
Principal, Murray Middle School

Valleyfair – Eighth Grade Celebration!

Monday, June 10th / 9:00am – 6:00pm / \$37.00

[Valleyfair Trip - Class Registration v3.0 - Saint Paul Public Schools \(rschooltoday.com\)](https://rschooltoday.com)

Money and Permission Forms Due May 28, 2024
Students need to be picked up at Murray at 6:00pm

Sixth Grade

Math with Mr. Klemme:

Your math 6 students have been exploring the topic of geometry in class. We reviewed the shapes and formulas from elementary school and have now added the formulas for parallelograms, rhombus, trapezoid, kites, and triangles to our knowledge base. We have learned about deconstructing complex shapes to make them easier to work with as well. We will be using this knowledge to find the surface area and volume of rectangular and triangular prisms in class as well.

Pre-Algebra classes have been plugging away with expressions.

We've applied the Commutative, Associative, and Distributive properties to simplify or expand these expressions. We have also started to combine like terms in our expressions. Students will continue to use these skills for our Algebra unit as well as their Algebra classes and Integrated classes as they get older.

MN Studies with Ms. Atchison and Ms. Pfeiffer:

This week and last, students learned about the US-Dakota War, the causes, and its impact. For our unit summative, students will be creating new historical markers about the war. This was something Minnesota's Historical Society did 10 years ago to show a more accurate history of the event.

For our next unit, students will be learning about Minnesota's main industries in the late 1800's: flour, lumber, and iron. Students will learn about the natural resources, jobs, and machines that grew the major three industries in Minnesota. At the end of the unit, students will work together to create a commercial about one of the industries to attract people to work in that industry.

Science with Ms. Crowley and Mr. Chase:

The University of Minnesota Science for All came for their last visit of the year to teach about polymers, what they are and their many uses. The PhD student that lead the class works on developing more ecofriendly polymers. The students tested three different diapers to see which absorbed more water: Pampers, Huggies, and Tippy Toes. We found that Pampers absorbed the most water.

The Environmental classes will be going on the FREE field trip for Science for All to the University of Minnesota east bank campus on Friday, May17th. Lunch is provided and permission slip were sent home.

Seventh Grade

English with Ms. Steinhoff:

7th graders are wrapping up their poetry unit! Ask you student to show you a poem that they have been working hard on. Up next, for our final unit of the year, will be a whole class reading of "The Outsiders" by S.E. Hinton! We will continue our character work from the fall, as well as learning about how to write an argumentative claim. Students will also fine tune their skills in textual evidence to back up their claim. The end of the year is coming up fast!

Eighth Grade

Math with Mr. Hayden:

In Integrated Math 1, we are working through our unit on statistics, which covers a wide variety of lessons. At first, we focused on histograms, dot plots and box plots as three possible ways of displaying data. We learned how we can analyze and compare data, and what we can determine from the shape or spread of the data as well. We learned how to calculate standard deviation, which is one of the ways we describe the spread of data. However, calculating standard deviation by hand can be a very time-consuming task so we also learned how a standard deviation calculator can be used to save time. Lastly, we are learning about two-way frequency tables and how we can interpret them.

In Algebra, we just finished our unit on systems of equations so now we are on to real numbers. During this unit we will learn how to convert rational numbers to decimals, how to write repeating decimals as fractions, how to differentiate between rational and irrational numbers, and how to compare and order real numbers. Lastly, we will look at both square roots and cube roots and when they can be used to solve problems. Looking at square roots specifically should help us prepare for our last unit of the year, the Pythagorean Theorem.

Global Studies with Mr. Kareem and Ms. Croone:

In 8th grade Global Studies we are currently studying Africa. Students began by reflection on some of the misperceptions people have about Africa, and some of their own assumptions. They are now working on a political map of Africa and the different regions of Africa.

Band/Orchestra

Murray Middle School Music students had the great opportunity to listen to professional musicians from St Paul Conservatory of Music play for them. Students were able to ask them questions and learn about a great opportunity for them to get virtual lessons through-out the summer.

3 students had the opportunity to go to Marshall, MN at Southwest Minnesota State University to play with professionals, community members, and other students from around Minnesota in a symphony orchestra. They got there at 10 am and played in a concert at 5 pm.

E2 Plant Sale Fundraiser

Purpose:

This fundraiser will support the E2 (Environmental Inquiry Immersion) Science Elective class at Murray Middle School and students that take this course. This year's students will be caring for your seedlings raising them up from seeds. By participating in this course, the students learn gardening skills while learning about the chemistry that is happening to help the plants grow. The proceeds will be paid forward to the next year's class of students where funds will be used to support science fair, field trips, and other class materials.

Cost:

Each seedling will cost \$3 and money will be due at Pickup. Orders will be given first ordered first priority. This is our first time doing this fundraiser but not our first-time raising plants.

Cost:

Each seedling will cost \$3 and money will be due at Pickup. Orders will be given first ordered first priority. This is our first time doing this fundraiser but not our first-time raising plants.

Glimpse at seedlings growing spring 2023.

Please take the following survey if interested in purchasing:

https://docs.google.com/forms/d/e/1FAIpQLScfsXpNL6J1vTA7rHvdu7hELyPTwfhMN3xu1aOZOjalQWID6A/viewform?usp=sf_link

Help!

As we all know, cold and flu season was rough this year, and the increased visits to the health office depleted the tissue supply. The health office is-in-need of some tissue donations to restock. If you are willing and able to donate, please leave tissue donations in the main office or bring them to the health office. Thank you for your support!

Murray State History Day

Murray Social Studies Teachers want to give a huge shout out to everyone who went to the Minnesota History Day State Competition! We had 34 students advance to State! They were all amazing. Our MVH (Most Valuable Historian) award goes to Paloma Dashevsky for her amazing performance on Dolores Huerta!

The following students advanced to final round and received Honorable Mentions:

Anneliese Lindfors, Sofia Mortensen, Maja Johnson, Jamie Nemec, Sofia Patronski, Anna Peltier, Mary Grace Lindsley & Hazel Collins as well as Elsa Washington, Georgia Kountoupes Ruddy & Alice Van Keerbergen.

The following students won Topical Prizes:

Scout Murch-Gordon won the Minnesota's Laws and Courts

Ingrid Bollman won the Africa Studies Prize

Maeve Callahan-Schreiber won the Educational History, Susie Elewell Memorial Prize

Charlie Anderson, Peter Laska & Emmett Loth won the Minnesota Experience Documentary Prize

5th place to Lu Beckman

3rd place to Ingrid Bollman

The following students are National Qualifiers heading to the National Competition in Washington D.C.

Sylvia McRoberts for her website Courage and Grit: Virginia Hall the Spy who Helped win World War II

Scout Murch-Gordon for her exhibit Griswold v. Connecticut: Legalizing Birth Control

Charlie Anderson, Peter Laska & Emmett Loth for their documentary The Seven Countries Study

Maeve Callahan Schreiber for her documentary Sunny Days: A Turning Point in Children's Television

Murray Pilots go to National History Day!

Six Murray Historians advanced from the State History Day competition with their amazing projects. **Sylvia McRoberts, Scout Murch-Gordon, Maeve Callahan-Schreiber, Charlie Anderson, Peter Laska & Emmett Loth** are all heading to [National History Day](#) for their website, exhibit, and documentaries. National History Day is held at the University of Maryland in June. **Janey Atchison, Kirsten Croone, and Carrie Newman** will be accompanying the Murray team to Washington DC. Please help us to support our brilliant Murray Educators and outstanding Murray Historians and as they compete among the best of the best in our nation!

This fundraiser is hosted by the Murray Parent Teacher Organization, a 501(c)(3). Contributions made to this fundraiser will be used to support the travel expenses of the 2024 History Day Team. This trip is organized by the [Minnesota Historical Society](#). A big thank you to the MNHS team for making this trip happen.

Counselor's Corner

Hello Murray Families -

All families:

It's already that time - Summer School registration is open TODAY.

Registration info here: <https://www.spps.org/academics/summer-learning-programs#anchorName>.

There is also a paper application attached at the end of this newsletter.

You will register through Campus Parent Portal: <https://spps.infinitecampus.org/campus/portal/parents/stpaul.jsp> - if you need to reset your Parent Portal password or find username use this link: <https://www.spps.org/families/campus-parent-portal-onestop/reset-username-password> or call Murray at (651) 293-8740

Contact Murray Middle School Counselors with any questions or to help register: Justine Revermann (justine.revermann@spps.org) 651-744-7130 or Lisa Engelstad (lisa.engelstad@spps.org) 651-744-2397.

Here's more information: [Middle School Summer information](#)

3 Middle School Summer Options:

K-8 Freedom School:

- **Location:** LEAP - *former John A. Johnson school*, 740 York Avenue, Saint Paul, MN 55106
- **Program Dates and Times:** June 24-August 2 (28 days), 8:45 a.m.-3:45 p.m.
No programs on Thursday, July 4 and Friday, July 5
- **Description:** Freedom Schools strengthens literacy skills through a researched-based Integrated Reading Curriculum that features books, materials and projects that represent the heritages and experiences of our scholars. Essential features include Hero Elementary K-2; science, technology, engineering, arts, and math instruction; parent and family empowerment events; community engagement; pathways to careers; health and wellness; social action and field trips. Scholars see themselves in our high-quality Servant Leader Educators and community leader mentors/role models. This program is developed in collaboration with the Saint Paul Promise Neighborhood.

Grades 3-8 ESTEM (Environmental Science, Technology, Engineering, Math):

- **Location:** E-STEM Middle School, 600 Weir Drive, Woodbury, MN 55125
- **Program Dates & Times:** June 24-July 26 (23 days), 8:45 a.m.-2:45 p.m.
No programs on Thursday, July 4 & Friday, July 5
- **Description:** Students experience hands-on activities and field trips with a focus on environmental science, technology, engineering and math (STEM). Classes and activities include engineering, coding, construction, sports, environmental studies, cooking and working with computers. This program is sponsored by 3M and includes multiple STEM-themed field trips.

Grades 5-8 Summer Quest:

- **Location:** Washington Technology Magnet (1495 Rice Street, Saint Paul, MN 55117)
- **Program Dates & Times:** June 24-July 26 (23 days), 8:45 a.m.-2:45 a.m. No programs on Thursday, July 4 and Friday, July 5
- Students receive academic support, develop leadership skills and participate in enrichment activities. Students in grade 5 learn skills to prepare for their transition to middle school. When registering, students rank their top 3 elective choices to enhance their summer learning experience.

Based on space availability, students will be placed in 2 of the following enrichment and elective course options:

- *Cooking / Agriculture*
- *Fiber Arts and Textile Design*
- *Intro to Coding*
- *Physical Education / Gym*
- *Robotics*
- *Theater Arts*
- *Various Music Options (band, orchestra, guitar/ukulele, keyboard, digital music, drums)*
- *Visual Art and Design*

EVERY MEAL

Please fill out our QR code or this link if you are interested in getting items from the Murray food pantry sponsored by Every Meal. Link: <https://forms.gle/Uu7GTHWuTCiZgZ9b9>. We have food available at Murray for students to pick up at the end of the day on Fridays. It is in our Food pantry – see Google Form for more info. Please write down your name, your contact information, and which items you'd be interested in your student picking up each week. Students will take these items home in their backpacks.

Contact Justine Revermann (justine.revermann@spps.org or 651-744-7130) or Lisa Engelstad (lisa.engelstad@spps.org or 651-744-2397). You can reach out to us to schedule an appointment to pick up some food items.

The school year is coming to an end very quickly. That means it is time to begin thinking about summer plans. Flipside is offering two sets of summer camp this summer and they are all free!

Camp participants can only sign up for one camp, each camp has the same itinerary just different dates.

Camp A: July 8th- 25th and Camp B: July 29th- August 15th.

Camp details-

- Camp is at Johnson Sr. High School
- Camp is Monday-Thursday and from 8:45am- 2:45pm
- Transportation will be provided to those in SPPS boundaries
- Breakfast and Lunch are provided

If you are interested, please grab a form from the main office/ Ms. Abby or check out the Flipside website to get registered or if you have any questions - Space is limited so act fast.

DISCOVER SUMMER

SPPS Summer Learning Programs are your opportunity to:

Learn new and strengthen current academic skills and prepare for the upcoming school year through active, fun and hands-on activities.

We have program options for kids in grades PreK-8.

Summer Learning Highlights:

- Enrich and expand skills in reading
- Project-based activities
- Experiential learning
- Exploratory courses
- Community partnerships
- Field trips
- FUN!

**Priority
Registration
Deadline:
April 15, 2024**

**All programs
are free**

**Free breakfast
and lunch**

**Transportation
available**

**Programs start
June 24**

Register between March 15 - April 15 for the best opportunity to get into the program of your choice. Many programs fill quickly. Based on capacity, students may be placed on a waiting list.

For program descriptions, dates and registration information, visit spps.org/summer.

Saint Paul
PUBLIC SCHOOLS

Nrhiav Qhov Khoos Kas Kawm Ntawv Lub Caij Ntuj So Uas Nej Nyiam

Kev kawm ntawv lub caij ntuj so hauv SPPS yog ib lub cib fim rau cov tub ntxhais kawm ntawv:

Mus kawm tej yam tshiab thiab kawm txhawb ntxiv rau lawv txoj kev kawm tam sim no thiab npaj rau xyoo kawm ntawv tom ntej los ntawm kev kawm tej yam lom zem thiab siv tes ua kiag.

Peb muaj cov khoos kas kawm rau cov me nyuam uas kawm qib K txog 8.

Cov Kev Kawm Lub Caij Ntuj So Muaj Xws Li:

- Kev kawm txhawb ntxiv rau txoj kev nyeem ntawv
- Kev kawm raws tes num
- Kev kawm los ntawm kev nqis tes ua kiag
- Kev tshawb kawm tej txuj uas txaus siab
- Kev koom tes rau hauv zej zos
- Tawm mus kawm sab nraud
- KEV LOM ZEM!

**Hnub Kawg Rau
Kev Teev Npe:
Lub Plaub Hlis
Tim 15, 2024**

**Txhua qhov khoos
kas yog kawm dawb**

**Muaj noj tshais
thiab su dawb**

**Muaj tsheb thauj
mus los**

**Cov khoos kas yuav
pib rau thaum lub 6
Hli tim 24**

Mus sau npe thaum lub Peb Hlis tim 15 mus rau lub Plaub Hlis tim 15 kom muaj lub cib fim zoo tshaj tau qhov khoos kas uas nej xaiv. Ntau qhov khoos kas puv sai heev. Yog chaw puv lawd, ces peb yuav muab cov tub ntxhais kawm ntawv tso npe rau daim ntawv tuav npe tos kawm.

**Yog xav paub txog qhov khoos kas, cov hnub thiab kev teev npe,
mus saib hauv spps.org/summer.**

Wax Kororso Xagaaga

Barnaamijyada Waxbarashada Xagaaga ee SPPS waa fursad ah:

In la barto wax cusub oo la xoojiyo xirfadaha tacliimeed ee hadda jira iyo in ardayda loo diyaariyo sannad-dugsiyeedka soo socdo iyada oo loo marayo hawlo firfircoon oo leh madaddaalo iyo wax tijaabin.

Waxaan haynaa barnaamijyo kala duwan oo loogu talagalay carruurta dhigata fasalkada PreK-8.

Waxyaabaha Muhiimka ah ee Waxbarashada Xagaaga:

- Kobcinta iyo waasicinta xirfadaha waxakhriska
- Hawlo waxbarasho oo ku saleysan mashruucyo
- Waxbarasho qaab tijaabo ah wax loo baranayo
- Koorsooyin Xogo lagu Sahaminayo
- Wadashaqeynta bulshada
- Safarro gaaban oo waxbarasho
- MADADDAALO!

Taariikhda kama dambaysta ee isdiwaangelinta mudnaanta leh:

April 15, 2024

Dhammaan barnaamijyadu waa lacag la'aan

Quraac iyo qado bilaash ah

Gaadiid waa lagu heli karaa

Barnaamijyadu waxay billaabanayaan June 24

Isdiwaangelinta inta u dhaxayso March 15 iyo April 15 si aad u heshid fursadda ugu fiican ee gelitaanka barnaamijka aad dooratay. Barnaamijyo badan ayaa si dhakhso leh u buuxsanaa. Iyadoo barnaamijka lagu saleynayo kuraasta bannaan, ardayda boos loo waayo waxaa lagu qorayaa liiska sugitaanka.

Wixii ah faahfaahinta barnaamijka, taariikhaha, iyo xogaha isdiwaangelinta, booqo spps.org/summer.

Descubra el Verano

Los Programas de Aprendizaje de Verano son la oportunidad para:

Aprender nuevas y fortalecer habilidades académicas actuales y prepararse para el próximo año escolar a través de actividades activas, divertidas y prácticas.

Tenemos opciones de programas para niños entre PreK-8.

Información destacada de los Programas de Aprendizaje de Verano:

- Enriquecer y ampliar las habilidades en lectura
- Actividades basadas en proyectos
- Aprendizaje experimental
- Cursos exploratorios
- Asociaciones comunitarias
- Excursiones
- ¡DIVERSIÓN!

Plazo prioritario de inscripción:
15 de abril, 2024

Todos los programas son gratuitos

Desayuno y almuerzo gratis

Transporte disponible

Los programas comienzan el 24 de junio

Inscríbase entre el 15 de marzo y 15 de abril para tener la mejor opción de quedar en el programa de su elección. Muchos programas se llenan rápidamente. Dependiendo de la capacidad, los estudiantes pueden ser puestos en listas de espera.

Para descripción de programas, fechas e información sobre inscripción, visite spps.org/summer.

Grades PreK-8 Registration Summer Learning Programs 2024

For dates and to learn more about program choices go to spps.org/summer.

Register by **April 15, 2024**, for the best chance of enrollment in your program of choice.

Many programs fill quickly. Based on capacity, students may be placed on a waiting list.

Select ONE of the following ways to register:

1. Register online at spps.org/summer.
2. Download, complete, and submit completed form by U.S. Mail to:
Summer Registration, Student Placement Center, 2102 University Ave. West, Saint Paul, MN 55114.
3. Download, complete, and email form to spc@spps.org.

If YES, what is the condition and what medical attention is required (i.e. medications)? _____	

Summer Learning Program Options (no programs Thursday, July 4, and Friday, July 5):

You may choose only ONE Summer Learning Program that serves your student's current grade level (2023-24):

<input type="checkbox"/> Pre-K Summer Program (for students who have completed 23-24 SPPS Pre-K)	June 24-July 26
<input type="checkbox"/> Grades K-4 Summer Stars	June 24-July 26
Grades K-4 Language Immersion & Culture	June 24-July 26
<input type="checkbox"/> SPPS Language Immersion (for students currently enrolled in an SPPS immersion program)	
<input type="checkbox"/> American Indian Youth Enrichment (open to all students)	
<input type="checkbox"/> Grades K-4 Power Scholars Academy	June 24-July 26
<input type="checkbox"/> Grades K-5 Arts Us Camp Teranga (transportation is limited to Areas E and F1)	June 24-July 26
<input type="checkbox"/> Grades 3-8 Environmental STEM Program	June 24-July 26
<input type="checkbox"/> Grades 5-8 Summer Quest	June 24-July 26
<input type="checkbox"/> Grades K-8 CDF Freedom Schools	June 24-August 2

To learn more about program choices, go to spps.org/summer.

GRADES 5-8 Summer Quest ONLY:

Rank your top three choices for elective classes (1, 2, 3). If music is chosen, indicate the Music Elective Options in Boxes A & B below.

See boxes A and B below if selecting a band or orchestra elective.		
<input type="checkbox"/> Agriculture and Cooking	<input type="checkbox"/> Robotics	<input type="checkbox"/> Band
<input type="checkbox"/> App Design and Coding	<input type="checkbox"/> Theatre Arts	<input type="checkbox"/> Digital Music
<input type="checkbox"/> Fiber Arts and Textile Design	<input type="checkbox"/> Visual Art & Design	<input type="checkbox"/> Guitar
<input type="checkbox"/> Physical Education		<input type="checkbox"/> Keyboard/Piano
		<input type="checkbox"/> Orchestra

Grades 5-8 Summer Quest ONLY IF music is chosen as an elective:

Make one choice per box:

Box A - My student wants to play:	Box B - My student's current music level is:
<input type="checkbox"/> Alto Sax	<input type="checkbox"/> No prior music instruction
<input type="checkbox"/> Baritone	<input type="checkbox"/> Beginning level
<input type="checkbox"/> Cello	<input type="checkbox"/> Intermediate level
<input type="checkbox"/> Clarinet	
<input type="checkbox"/> Drums/Percussion	
<input type="checkbox"/> Flute	
<input type="checkbox"/> Trombone	
<input type="checkbox"/> Trumpet	
<input type="checkbox"/> Viola	
<input type="checkbox"/> Violin	

Continual Learning Plan (CLP)

Student CLP goals include gaining critical thinking and standards-based academic skills and/or improving English language skills. It is important to discuss with your student why you are voluntarily enrolling them for a summer program. Prior to submitting this form, please sign below if you agree with the student CLP goals listed above.

Signature

Date

I give permission for my student to be photographed and interviewed during Summer Learning Programs, and for my student's first name to be used in promotional materials for Saint Paul Public Schools.

☐ Yes ☐ No

Families will receive confirmation of enrollment by email the last week of April. Transportation information will be sent via email the week of June 10, 2024. Current SPPS student enrollment and transportation information will also be available in the Campus Parent Portal.

Questions? Go to spps.org/summer, or call the Department of Alternative Education at 651-744-8020.
