We hope you are having a good week and that not too many of you are affected by the ongoing water supply issues. Sadly, this week we've continued to receive complaints about Parents parking from our local community. Please can you ensure you are not blocking driveways or causing obstructions that could be dangerous for children and their families.

Thank you to Miss Wheeley and Miss Collins who accompanied some of our students to a Tri Golf Event at Sandown Primary School on Thursday. It was a great afternoon, full of talent and tricks!
