PRE-A LEVEL COURSE

This programme is designed for international and UK students aged 15-17, who wish to study a one-year preparation for A levels course.

WHO IS IT FOR

Students planning to study A levels or BTEC in the UK, who are aged 15 to 17. The programme will provide the skills to flourish in the UK education system in Year 12 /13 (Sixth Form) and beyond at university. The course will suit:

- British students currently studying overseas who want to return to the UK education system and be prepared to start A levels in Year 12.
- International students who have studied in another country's education system and need to prepare to study A levels in the UK.
- International students who are looking to experience one year abroad in England and whose English level is strong enough to access a GCSE/A level programme.
- Students whose GCSE years have been interrupted by unforeseen circumstances and need a further year to prepare for starting A level courses.

PROGRAMME FEATURES

- One academic year with focus on acquiring the skills before commencing a two year A level programme.
- Ages between 15-17 (on 1st September 2024).
- Students will be part of Year 12 Sixth Form.
- Students will be in a Year 12 tutor group, and senior boarding house.
- Academic options:
Study 3 A level subjects
Study 2 A levels and take GCSE Maths and English
Study 2 or 3 A levels with an EPQ.
- Opportunity to change to different A levels if staying at Millfield for the following two year course or continue with a combination of those already started.

ENTRY REQUIREMENTS

You will be required to do an interview and test and we will obtain a reference. A reasonable level of English will be required (from applicants for whom English is a second language) to allow integration into the mainstream classes.

CO-CURRICULAR/SPORT

Our outstanding co-curricular programme includes a huge range of high-level sports such as riding, golf, swimming, hockey, athletics, football, basketball and encompasses art, design, dance, drama and music.

The breadth and depth of our facilities is unmatched anywhere else in the UK: an Olympic-sized swimming pool, golf course and equestrian centre, with stabling for horses; a wonderful concert hall, theatre, art gallery and music centre; high-quality food and cutting edge science labs.

FULL BOARDING

Millfield is a full boarding school, home to 995 boarders from 70 different nationalities, with a further 350 day students. Full boarders enjoy weekends filled with trips and activities, once Saturday morning school and any sports fixtures are completed. Outstanding pastoral care is at the heart of everything. Millfield's alumni include footballer Romeo Beckham, F1 driver Lando Norris, Tokyo 2020 Olympic gold medallist swimmer James Guy and Rio 2016 Olympic medallist Helen Glover.
