

## **Carl Allen Neurath, Jr. Memorial Scholarship**

### **General Description:**

Each year, the Neurath family awards a scholarship in memory of Carl Allen Neurath Jr. A rising senior and mechanical engineering student at Georgia Tech, Allen was in the co-op program at Gulfstream Aerospace Corporation when he died in a car accident April 17, 2001. Allen worked very hard to become a "Yellow Jacket," and his family was extremely proud of him not only for his outstanding academic accomplishments but also for the type of young man Allen had become. While he excelled as a student, Allen also was very active in Tech's music program, various college community outreach programs and his church.

To honor Allen's memory, his family awards a \$1,000 scholarship to an Effingham County High School senior who is accepted and who will attend the Georgia Institute of Technology. This senior must have high academic achievements, must be active in and devoted to his or her community, and also must be involved in extracurricular activities and programs.
