East Lyme Middle School

Dear Parents/Guardians:

It is hard to believe we are already entering May. I want to take a moment to share some highlights and updates of occurrences here at East Lyme Middle School. Our students have been involved in a range of engaging activities and events, and I am happy to share them with you!

SBAC assessments are scheduled for the following dates: May 7, 9, 14, 15, 16. NGSS assessments are May 21<sup>st</sup> and 23<sup>rd</sup>. The assessment window will run from approximately 8:40-10:00am on these days. I am asking if you can support us from home by making sure that your child comes to school with their device fully charged. It would be greatly appreciated if families would schedule appointments outside the testing times. Though these are only one measure of student progress, please discuss with your students the importance of these assessments.

The **Gardening Club** has done a wonderful job enhancing our school grounds; the planter out front is a colorful and vibrant welcome to the entry of our building. Also, the students have helped with the upkeep of several established gardens around the building. This includes the Butterfly Garden, The Memorial Reflecting Garden, The Veteran's Memorial, and the 9/11 Garden. Not only did our students enhance the flora around ELMS, but they provided our birds with a bird nesting apparatus, helping to provide nest building materials to the wildlife. A big thank you to Mr. Cruz and the members of our Gardening Club!

Our grade 8 students on the **Whelks** and **Big Blue** recently hosted **Inertialand!** Students worked during their science classes and presented their creative amusement park ride models to other grade levels and their former teachers. The children shared their knowledge of the physics of amusement park rides. The information acquired during the physics and motion unit will be utilized at an off-site arena, as students are expected to apply aspects of what they learned while they are on the upcoming Quassy field trip.

Additionally, our students will be showcasing their musical talents at our upcoming spring concerts. We look forward to seeing you at the shows: May 30<sup>th</sup> - Choir at ELMS, and June 4<sup>th</sup> - Orchestra, June 5<sup>th</sup> - Band at East Lyme High School. All performances will begin at 6:00pm.

Thank you for your continued support of your child's education. We look forward to many more exciting experiences and opportunities in the coming weeks.

Regards,

Claudine Kelly

**iCan Bike - East Lyme, CT**

We understand that the vast majority of people with disabilities never have the experience of independently riding a conventional two-wheel bicycle during their lifetime. Research shows that over 80% of people with Autism and 90% of people with Down syndrome never experience this thrill. Defying these odds is why we exist!

Families,

This will be our last newsletter for the school year! We appreciate all of your support this school year. We were able to accomplish so much with your support - Spirit days, fall and spring assemblies, supporting implementation of a new water fountain for Earth day, supported 8th grade event, school-wide dance, supported field day, teacher appreciation day, to just name a few!

## Exciting Events

We had a few exciting events this past month. In addition to the Earth day spirit day, on March 22, PTA sponsored a donation towards a new water fountain for easy and efficient use of filling water bottles - both in the cafeteria and the gym!

## Upcoming Events

### Teacher Appreciation Day

PTA will provide all staff with a luncheon and flowers on Tuesday, May 7 during Teacher Appreciation Week. PTA funds will cover the major costs of the luncheon, however we had incredibly generous families also purchase some needed items such as paper goods, raffle Amazon gift cards, and flowers. We are incredibly grateful and will surely share pictures on our facebook page after the event! In addition, we asked faculty to identify items that would enhance classroom instruction and student growth. We used this information to create an **East Lyme Middle School Wish List**. With your help, we would like to fulfill all of these wishes for Teacher Appreciation Week. Please consider supporting this initiative by purchasing an item on our Amazon Wish List as soon as possible! We are hoping to have all the items in the week of Teacher Appreciation week! All items will ship directly to the school.
