We Are Heelan Youth Athletics is a **volunteer-based program** focused on developing our young athletes by organizing youth sports through each of our schools.

Our sports programs include Volleyball, Football and Basketball. Students in grades 3-8th can sign up through our system and be placed on a team.

Fall Volleyball is played through the Arena and is available for students in grades 3-7th. Games are played on Sundays beginning in August -October throughout the Sioux City area. 3rd- 5th grade students are placed on teams according to their base school. A Placement Camp will be held each July for students entering 6th and 7th grade to place participants by skill level. Once the teams and coaches have been formed, you will be contacted by the coach for practices and game schedules. The registration for the program is open from May 1st through July 20th, with a fee of \$75.00. This covers the cost of team registrations, jerseys, balls, and equipment provided for each season.

Fall Football is played in the Sioux City area and is available for students in grades 3rd-6th. 3rd & 4th grade games are played during the week and 5th & 6th grade games are played on Saturday mornings. Games are played September through the end of October. Registration is open from May 1st through September 1st. Early registration is encouraged so that we have enough equipment for the athletes. Once the teams and coaches have been formed, you will be contacted by the coach for practices and game schedules. The registration fee is \$125.00 and covers the cost of team registrations, jerseys, pads, helmets, balls, and equipment provided for each season.

Winter basketball Winter Youth Boys and Girls Basketball programs offers opportunities for recreational play for students in grades 3rd, 4th, and 5th, while students in grades 6th, 7th, and 8th can participate in a competitive setting. Registration for the program is open from July 1st to September 1st, with a comprehensive fee of \$75 covering league registration and uniform rental. A 6th-8th Grade Placement Camp is held mid-September to assess and place participants appropriately. The season practices start in November and games run through mid-February. Teams typically practice twice a week, and the practice schedule is determined by the coach.
