## **May 3, 2024 | President Update**

As we step into the vibrant month of May, we're reminded of the blossoming beauty that surrounds us, mirroring the growth and renewal within our school community. Just as the petals of May flowers unfurl to greet the sun, so too do we eagerly embrace the opportunities and challenges that lie ahead.

In the spirit of May Crowning, a cherished tradition that symbolizes honoring the Blessed Virgin Mary as Queen of Heaven and Earth, let us reflect on her unwavering grace and guidance. May her example inspire us to cultivate kindness, compassion, and humility in our daily lives.

As we journey through May, may we continue to foster a spirit of unity, resilience, and faith, knowing that together, we can overcome any obstacle and thrive in the light of God's love. Wishing you all a blessed and joyful month ahead.

## TEACHING AND LEARNING

### Student Services Announcement:

College decision day was a time to celebrate our seniors and their journey to college! Due to the FAFSA mixups, we will continue to celebrate seniors as they make decisions on the college/university that they will attend in the coming year! Once we have final numbers from a larger percentage of our graduating seniors, we will share the profile with our community.

We are also pleased to announce the search for a Director of Student Life. The Director of Student Life will support the schools long-term planning, coordination, development, and evaluation of programs in the areas of student life (i.e. student activities, student behavior, student safety, athletics, and attendance).

## MISSION AND MINISTRY

With a few weeks remaining, we are proud of our students who to date, have completed over 7400 service hours! Utilizing our network of stakeholders, we provided almost 200 different opportunities for students to engage in service. True to our mission, these young women are transforming society.

## BUILDINGS AND GROUNDS

The fire system underwent a final test last week and it is fully operational! The exterior pole lighting continues to experience slight delays in the timeline. Our vendor, TCL Electric, is waiting on parts to arrive before giving us a firmer timeline. We remain hopeful it will be completed in the coming 6 weeks. We continue to make great strides in our planning for the fitness center renovation along with the coffee shop. We are also securing bids for classroom furniture as part of our larger campus renovation project. More information to come!

## BUSINESS SERVICES

Resurrection is pleased to offer a 4% discount on tuition that is paid in full by June 30, 2024 for the 2024-2025 academic year.

Fees for Advanced Placement Courses, as well as athletics, were just posted to student accounts. Historically, these fees were posted in the first semester, we apologize for the inconvenience this may pose and we appreciate your patience.

In other news, we are in the process of creating a parent engagement coalition with the intention of forming a collaborative group of parents who will partner with myself and Dr. Matson in actions toward enhancing the parent and student experience at RES. We will launch informational material in the coming week or so. Please let me know if you have questions or would be interested!

Next week (5/10/2024), we will have more updates on the variety of initiatives underway! Until then, feel free to contact me with any questions or concerns. We thank you for your ongoing support!

Dr. Piwowski
