As a Catholic high school, John Carroll forms young people who are inspired by a passion for learning and seek to lead lives of significance in service to God and others.

LEARN | LEAD | SERVE

Dear Students & Families,

Congratulations to our graduating seniors - this year's festivities have been a wonderful celebration of their hard work and dedication. We look forward to continuing to honor their accomplishments throughout the month.

Additionally, congratulations to all the underclassmen who received awards this year on Wednesday at the Underclassman Awards Day. Your achievements are a testament to the virtue and work ethic that you have displayed.

I would be remiss not to mention the spectacular performance of our school band and choir over the past two weeks - their spring performances were outstanding!

As we approach the end of the school year, I encourage everyone to continue showing gratitude in all your interactions. Your school spirit and pride make John Carroll a community where everyone feels welcomed and valued.

Continue to prepare diligently for your upcoming exams.

God Bless & Go Cavs!

Ronald Steele

Principal

UNDERCLASS AWARDS DAY 2024!

Underclass Awards Day is always a great day to celebrate our students' learning, leadership, and service!

"The awards and achievements are always impressive, and we love to celebrate them, but what I'm most impressed about today and what I find to be the most important part of this day is seeing how excited the entire school community is for their fellow students. This is what makes John Carroll a special place - the genuine love and support that you all show one another and how excited you are for your friends." - Ronald Steele, Principal.
