Principal's Message

We are amazingly close to finishing the 2023-2024 school year! The next few weeks will be filled with lots of events and celebrations as get ready to honor our 2024 Centaurus High School graduates. I know that this time of year is incredibly exciting, but it also very busy and a bit hectic. Students have been doing so well this year, and I want to make sure that they finish the year strong. I highly encourage you to talk to your students about grades, missing assignments, and what they need to work on in their classes as we get ready for final exams. Summer is only a few weeks away, and some extra time and attention right now will allow students to have a successful and positive finish to the school year. Thank you for your partnership in support of your students.

Daniel Ryan
Principal
