# Attention Freshmen, Sophomores, and Juniors - Leadership Opportunity for the 2024-2025 School Year

*CSQUAD is a Centaurus Student Group that aims to create a welcoming experience for incoming freshmen. CSQUAD members are leaders in the school who act as mentors to the incoming freshmen, helping them transition smoothly into high school and find success while at CHS. They introduce the freshmen to the different clubs and activities offered here. Beyond their work with the freshman class, they provide critical opportunities to support and promote community building throughout CHS. Their commitments include being New Warrior Welcome, school ambassadors for parents during Back to School Night, guiding tours for prospective freshmen and their families during CHS Transition Night, leading and aiding freshmen during Cram Fest before their finals, and providing a consistent model for all CHS students to strive toward. In addition, they serve as ambassadors for Centaurus High School to the community at large.*

*Current Freshmen, Sophomores, and Juniors: We welcome you to apply for this leadership opportunity now! Please [complete this form](#) by April 29th and we will contact you with next steps.*

*Ms. Ktsanes and Ms. Bouska*

### Senior Class Yard Signs

Centaurus High School is providing yard signs for our graduating class. This tradition started during COVID. BVSD previously paid for these but we would like to continue celebrating our seniors with them.

Signs will be placed next to South Boulder Road by the Baseball Field for the Lafayette Community to see and then Seniors will get to keep their yard sign for their High School memories.

Donations welcome- [LINK](#)

## Getting to know your Centaurus Team

**Deborah Hammock- Social Studies Teacher**

I have been teaching at Centaurus since 2006, first as a Special Education teacher and, more recently, as a Social Studies teacher. Since my first day I have loved the sense of community in our school, but the help and love I experienced after losing my home in the Marshall Fire was poof positive! My son currently lives in Australia and that is a great place to visit. In my spare time I love to workout, practice yoga, hike, cook, and tend plants.
