

Minutes of Maypearl ISD Student Health Advisory Committee meeting

March 2, 2022, 3:45 pm, LSK Board Room

Mr. Mike Mitchell called the meeting to order at 3:48 pm. Those in attendance were: Mike Mitchell, Kerrah Turner, Brittany Chadwick, Adele Mooney, Robert Rager, Ritchie Bowling, Gilmica Brown, Rakel Brandt, Lauren Wilson, Faye Ann Pearson, , Chelsea Hoard, Amanda Stinson, Leslie Deen, Keri L. Smith, Jerry Ramirez, and Tony Tucker.

After the pledges to the flags, Mr. Mitchell asked Brittany Chadwick to present the information on the Aim for Success program which is proposed to be added to the Student Health initiative. The Aim for Success program is designed to present sex education yearly to students in 7th through 12th grades. Mrs. Hoard is planning to use the curriculum for 8th grade currently. Aim for Success promotes abstinence from sex and healthy life choices. Parents receive a notice regarding the program at least 14 days in advance of the presentation to students. Parents must decide if their students **will or will not** be allowed to participate in the program. (In previous years the option was for parents to ONLY opt OUT.) In addition to the parental determination of whether their student will or will not be allowed to attend, the program is presented for parents, at least 14 days in advance of the presentation to students.

Rakel Brandt made a motion to accept the Aim for Success program for the Student Health Advisory Committee initiative. Adele Mooney seconded the motion. The motion passed unanimously.

Meeting adjourned at 3:58 pm. Mr. Bowling commented that the brief meeting was required to allow the initiative to be presented at the upcoming board meeting during which a public hearing will be held regarding the SHAC initiative(s).

Respectfully submitted,

Adele Mooney
