

Minutes of Student Health Advisory Committee

January 23, 2023 – 4:00 pm – LSK Professional Development Room

Meeting was called to order by Chair Michael Mitchell at 4:03 pm. He announced there was quorum present and led the pledges and the invocation.

Attendees present were: Gilmica Brown (ISD), Brittany Chadwick (ISD), Stephen Davis (ISD), Leslie Deen (ECCAC), Amy Haws (ISD), Chelsea Hoard (ISD), Michael Mitchell (ISD), Adele Mooney (Community), Sarah Nichols (Parent), Faye Pearson (Community), Becky Scasta (First Look), Keri Smith (Community), Amanda Stinson (ISD), Katie Tackett (ECCAC), Sarah Tucker (ISD), Tony Tucker (Community), Kerrah Turner (ISD), Lauren Wilson (Parent), and Erica Wright.

Faye Pearson moved for approval of the minutes of the October 17, 2022 meeting. Adele Mooney seconded and the minutes were unanimously approved.

Chelsea Hoard and Brittany Chadwick discussed the YES program (sex education curriculum). Leslie Deen (ECCAC) discussed the curriculum designed by Monique Burr that is being used in some area schools to educate on the topic of human/sex trafficking, especially as it related to Senate Bill 9 (which requires school districts to make all curriculum materials used for instruction to prevent child abuse, family violence, dating violence, and sex trafficking to be made available to parents). She said she could send information to the committee to review the curriculum - which is also an 'opt-in' program with a parent-preview component. Curriculum for 6th to 12th graders has already been purchased by ECCAC. Amanda Stinson discussed the 5th grade puberty videos that are presented (separately) to boys and girls. The videos are also 'opt-in' videos.

Chelsea Hoard moved for approval of the YES curriculum. Adele Mooney seconded and the motion passed. The curriculum will be presented at the upcoming School Board meeting Thursday, January 26, 2023.

Chair Mitchell reminded members of the next meeting scheduled for March 27, 2023 during which the By-Laws will be presented for approval and a review of the Whole School, Whole Child, and Whole Community will be made.

Kerrah Turner announced that the date for the "Health Fair/Immunization Clinic" (supported by the Dept. of State Health Services) would be held on Tuesday, August 1, 2023 from 1:00-3:00 pm which coincides with one of the MMS registration periods. The later registration period (5:00-7:00) would not have vaccinations available from DSHS, however, other components of the 'health fair/back-to-school fair' could be available during the later registration period.

With no further business, the meeting was adjourned at 4:33 pm.

Respectfully submitted,

Adele Mooney, Secretary
