NEPOTISM LAW

The candidate must sign this statement indicating his awareness of the nepotism law. When a candidate signs the application, it is an acknowledgment that the candidate is aware of the nepotism law. The nepotism prohibitions of chapter 573, Government Code, are summarized below:

No officer may appoint, or vote for or confirm the appointment or employment of any person related within the second degree by affinity (marriage) or the third degree by consanguinity (blood) to the officer, or to any other member of the governing body or court on which the officer serves when the compensation of that person is to be paid out of public funds or fees of office. However, nothing in the law prevents the appointment, voting for, or confirmation of anyone who has been continuously employed in the office or employment for the following period prior to the election or appointment of the officer or member related to the employee in the prohibited degree: six months, if the officer or member is elected at an election other than the general election for state and county officers.

No candidate may take action to influence an employee of the office to which the candidate is seeking election or an employee or officer of the governmental body to which the candidate is seeking election regarding the appointment or employment of a person related to the candidate in a prohibited degree as noted above. This prohibition does not apply to a candidate's actions with respect to a bona fide class or category of employees or prospective employees.

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play that every candidate and political committee in this state has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional rights to a free and untrammeled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

(1) I will conduct the campaign openly and publicly and limit attacks on my opponent to legitimate challenges to my opponent's record and stated positions on issues.

(2) I will not use or permit the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or the candidate's personal or family life.

(3) I will not use or permit any appeal to negative prejudice based on race, sex, religion, or national origin.

(4) I will not use campaign material of any sort that misrepresents, distorts, or otherwise falsifies the facts, nor will I use malicious or unfounded accusations that aim at creating or exploiting doubts, without justification, as to the personal integrity or patriotism of my opponent.

(5) I will not undertake or condone any dishonest or unethical practice that tends to corrupt or undermine our system of free elections or that hampers or prevents the full and free expression of the will of the voters, including any activity aimed at intimidating voters or discouraging them from voting.

(6) I will defend and uphold the right of every qualified voter to full and equal participation in the electoral process, and will not engage in any activity aimed at intimidating voters or discouraging them from voting.

(7) I will immediately and publicly repudiate methods and tactics that may come from others that I have pledged not to use or condone. I shall take firm action against any subordinate who violates any provision of this code or the laws governing elections.

I, the undersigned, candidate for election to public office in the State of Texas or campaign treasurer of a political committee, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct the campaign in accordance with the above principles and practices.
