It must include: A statement that a school has violated a requirement of federal statute or regulation that applies to Title I. The facts on which the statement is based. If necessary, the Director of Federal Programs and the Superintendent may do an onsite investigation at the school.
4. **Opportunity to Present Evidence** – The Director of Federal Programs may provide for the complainant and the Principal to present evidence.

The report will give the name of the party bringing the complaint, the nature of the complaint, a summary of the investigation, the recommended resolution and the reasons for the recommendation. Copies of the report will be issued to all parties involved. The recommended resolution will become effective upon issuance of the report

6. Follow-up – The Director of Federal Programs and the Superintendent will ensure that the resolution of the complaint is implemented.

7. Time Limit – The period between the Director of Federal Programs receiving the complaint and resolution of the complaint shall not exceed sixty (60) calendar days.
